All HOAC Tracked Bills**

3 - Support

Measure	Author	Topic	Status	Brief Summary	Subject Area
AB 11	McCarty D	Early and Periodic Screening, Diagnosis, and Treatment Program: screening services.	8/31/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Current federal law provides that EPSDT services include periodic screening services, vision services, dental services, hearing services, and other necessary services to correct or ameliorate defects and physical and mental illnesses and conditions discovered by the screening services, whether or not the services are covered under the state plan. This bill would require, consistent with federal law, that screening services under the EPSDT program include developmental screening services for individuals zero to 3 years of age, inclusive. Until July 1, 2023, the bill would require an external quality review organization entity to annually review, survey, and report on managed care plan reporting and compliance with specified developmental screening tools and schedules.	MCAH
AB 186	Eggman D	Controlled substances: overdose prevention program.	9/4/2018-Enrolled and presented to the Governor at 3 p.m.	Would, until January 1, 2022, authorize the City and County of San Francisco to approve entities to operate overdose prevention programs for adults that satisfies specified requirements, including, among other things, a hygienic space supervised by health care professionals, as defined, where	Communicable Disease, Public Health

				people who use drugs can consume preobtained drugs, sterile consumption supplies, and access to referrals to substance use disorder treatment. The bill would require any entity operating a program under its provisions to provide an annual report to the city and county, as specified.	
AB 1097	Levine D	State beaches and parks: smoking ban.	8/31/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Would make it an infraction for a person to smoke, as defined, at any picnic area designated by a posted sign or any other means by the Department of Parks and Recreation on a state coastal beach or in a unit of the state park system or to dispose of used cigar or cigarette waste at these designated picnic areas, with certain exceptions, as specifically provided. The bill would establish a state-mandated local program by creating a new crime.	Chronic Disease
AB 1790	Salas D	Valley Fever Education, Early Diagnosis, and Treatment Act.	9/6/2018-Enrolled and presented to the Governor at 3 p.m.	Would establish the Valley Fever Education, Early Diagnosis, and Treatment Act. This bill would, among other things, require the State Department of Public Health to conduct a valley fever awareness campaign to communicate with local health jurisdictions, providers, and the public about valley fever, as described. The bill would authorize the department to award grants or enter into contracts to perform activities related to the	Communicable Disease, Environmental Health

				awareness campaign, as specified.	
AB 1871	Bonta D	Charter schools: free and reduced-price meals.	8/28/2018-Enrolled and presented to the Governor at 3 p.m.	Would, commencing with 2019–20 school year, require a charter school to provide each needy pupil, as defined, with one nutritionally adequate free or reduced-price meal during each schoolday, except as provided for a charter school that offers nonclassroom-based instruction. For a charter school that becomes operational on or after July 1, 2019, the bill would require the charter school to implement these requirements no later than July 1 of the school year after becoming operational, and to provide written notice, as specified, of the period of time that the charter school will not provide those meals.	Chronic Disease, Health Equity, MCAH
AB 1976	Limón D	Employment: lactation accommodation.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Current law requires every employer to provide a reasonable amount of break time to accommodate an employee desiring to express breast milk for the employee’s infant child and requires an employer to make reasonable efforts to provide the employee with the use of a room or other location, other than a toilet stall, in close proximity to the employee’s work area for the employee to express milk in private. Current law makes a violation of these provisions subject to a civil penalty and makes the Labor	MCAH

				Commissioner responsible for enforcement. This bill would instead require an employer to make reasonable efforts to provide an employee with use of a room or other location, other than a bathroom, for these purposes.	
AB 2005	Santiago D	Child Abuse Central Index.	9/6/2018-Enrolled and presented to the Governor at 3 p.m.	Would authorize a police or sheriff's department to forward a substantiated report of suspected child abuse or severe neglect taken on or after January 1, 2019, except as specified, to the Department of Justice. The bill would require any police or sheriff's department that forwards a report to comply with the same requirements placed on other reporting agencies and would require the police or sheriff's department to adopt notification and grievance procedures that are consistent with specified regulations of the Department of Social Services. This bill would also make conforming changes.	MCAH
AB 2022	Chu D	Pupil mental health services: school notification.	9/4/2018-Enrolled and presented to the Governor at 3 p.m.	Would require a school of a school district or county office of education and a charter school to notify pupils and parents or guardians of pupils no less than twice during the school year how to initiate access to available pupil mental health services on campus or in the community, or both, as provided. By imposing an additional requirement on	MCAH

				schools of school districts and county offices of education and charter schools, the bill would impose a state-mandated local program.	
AB 2119	Gloria D	Foster care: gender affirming health care and mental health care.	9/6/2018-Enrolled and presented to the Governor at 3 p.m.	Current law provides that it is the policy of the state that all minors and nonminors in foster care have specified rights, including, among others, the right to receive medical, dental, vision, and mental health services, the right to be involved in the development of their own case plans and plans for permanent placement, and the right to be placed in out-of-home care according to their gender identity, regardless of the gender or sex listed in their court or child welfare records. This bill would provide that the rights of minors and nonminors in foster care, as described above, include the right to be involved in the development of case plan elements related to placement and gender affirming health care, with consideration of their gender identity.	MCAH
AB 2132	Levine D	Building permit fees: waiver.	8/28/2018-Enrolled and presented to the Governor at 3 p.m.	The State Housing Law authorizes cities and counties to prescribe fees for permits required or authorized pursuant to the State Housing Law. This bill would authorize these entities to waive or reduce all building permit fees for improvements to the home of a person at least 60 years of age with a qualifying disability	Chronic Disease, Health Equity

				that are made to accommodate that disability.	
AB 2256	Santiago D	Law enforcement agencies: opioid antagonist.	9/5/2018-Approved by the Governor. Chaptered by Secretary of State - Chapter 259, Statutes of 2018.	Would authorize a pharmacy, wholesaler, or manufacturer to furnish naloxone hydrochloride or other opioid antagonists to a law enforcement agency, as provided.	Chronic Disease, Small Jurisdictions
AB 2271	Quirk-Silva D	School food authorities: federal equipment assistance grants: matching state grants.	8/30/2018-Enrolled and presented to the Governor at 4:30 p.m.	Would require, upon appropriation by the Legislature, and contingent upon allocations provided by the federal Consolidated Appropriations Act, the State Department of Education to provide a matching state grant of up to \$100,000 to a school food authority participating in the federal National School Lunch Program that applies for and is awarded a federal Equipment Assistance Grant for School Food Authorities from the department in its administration of the National School Lunch Program, as prescribed.	Chronic Disease, MCAH
AB 2275	Arambula D	Medi-Cal managed care: quality assessment and performance improvement.	9/6/2018-Enrolled and presented to the Governor at 3 p.m.	Would require the State Department of Health Care Services to establish a quality assessment and performance improvement program for all Medi-Cal managed care plans, through which the plans, commencing January 1, 2021, would be required to meet a minimum performance level (MPL) that improves quality of care and reduces health disparities for beneficiaries, as specified. The bill	Health Equity

				would require managed care plans that meet the performance targets to receive specified financial incentives. The bill would require the department, in consultation with stakeholders, to develop a plan for a value-based financial incentive program.	
AB 2289	Weber D	Pupil rights: pregnant and parenting pupils.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Federal and state regulations prohibit an educational institution from applying any rule concerning a pupil's actual or potential parental, family, or marital status that treats pupils differently on the basis of sex. This bill would codify those regulations and related regulations in state law, as they apply to local educational agencies, defined to include a school district, a county office of education, a school operated by a school district or a county office of education, a charter school, the California Schools for the Deaf, or the California School for the Blind.	MCAH
AB 2601	Weber D	Pupil instruction: sexual health education: charter schools.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Would require, commencing with the 2019-20 school year, charter schools to ensure that all pupils in grades 7 to 12, inclusive, receive comprehensive sexual health education and HIV prevention education, as specified. By imposing additional requirements on charter schools, this bill would impose a state-mandated local program.	Communicable Disease, MCAH
AB 2626	Mullin D	Child care services.	9/7/2018-Enrolled and presented to	The Child Care and Development	MCAH

			the Governor at 2:30 p.m.	Services Act requires the Superintendent of Public Instruction to adopt rules and regulations on eligibility, enrollment, and priority of services needed to implement the act. The act provides that a family, upon establishing initial eligibility or ongoing eligibility for services, shall receive those services for not less than 12 months. The act provides, as an exception to the above provision relating to receiving services for 12 months, that a family that establishes initial eligibility or ongoing eligibility on the basis of seeking employment shall receive services for not less than 6 months. This bill would delete the 6-month exception for families establishing initial eligibility or ongoing eligibility on the basis of seeking employment.	
AB 2785	Rubio D	Student services: lactation accommodations.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Would require the California Community Colleges and the California State University, and encourage a satellite campus of these systems and the University of California, to provide reasonable accommodations to a lactating student on their respective campuses to express breast milk, breast-feed an infant child, or address other needs related to breast-feeding, as specified. The bill would require the respective educational institution to	Chronic Disease, MCAH

				provide a sink, in addition to the accommodations described above, upon the construction of a new campus of the California Community Colleges or the California State University, the replacement, expansion, or renovation of an existing building regularly used by students, or the construction of a new building designed for use by students, as specified. This bill would not require an existing room designated for the specified purposes to contain a sink.	
AB 2914	Cooley D	Cannabis in alcoholic beverages.	9/7/2018-Enrolled and presented to the Governor at 2:30 p.m.	Would prohibit a commercial cannabis licensee from selling, offering, or providing a cannabis product that is an alcoholic beverage, including, but not limited to, an infusion of cannabis or cannabinoids derived from industrial hemp into an alcoholic beverage.	Chronic Disease
AB 3043	Berman D	Pupil nutrition: breakfast and lunch programs.	9/7/2018-Enrolled and presented to the Governor at 2:30 p.m.	Would authorize a school district, county office of education, private nonprofit school, charter school, or residential child care institution, as defined, that participates in the federal School Breakfast Program, commencing with the 2019-20 school year, after submitting certain documentation to the State Department of Education for approval, to provide universal breakfast, to the maximum extent practicable. The bill	Chronic Disease, MCAH

				would define "universal breakfast" to mean a nutritionally adequate breakfast that complies with, and qualifies for reimbursement under, the federal School Breakfast Program and that is provided to every pupil at no charge.	
SB 212	Jackson D	Solid waste: pharmaceutical and sharps waste stewardship.	8/31/2018-Read third time. Passed. Ordered to the Senate. In Senate. Concurrence in Assembly amendments pending. Re-referred to Com. on RLS. pursuant to Senate Rule 29.10(d). From committee: Be re-referred to Com. on EQ. pursuant to Senate Rule 29.10(d). (Ayes 5. Noes 0.) Re-referred to Com. on EQ. From committee: That the Assembly amendments be concurred in. (Ayes 7. Noes 0.) Assembly amendments concurred in. (Ayes 38. Noes 0.) Ordered to engrossing and enrolling.	Would establish a stewardship program, under which a manufacturer or distributor of covered drugs or sharps, or other entity defined to be covered by the bill, would be required to establish and implement, either on its own or as part of a group of covered entities through membership in a stewardship organization, a stewardship program for covered drugs or for sharps, as applicable. The bill would impose various requirements on a covered entity or stewardship organization that operates a stewardship program, including submitting a proposed stewardship plan, an initial stewardship program budget, an annual budget, annual report, and other specified information to CalRecycle.	Environmental Health
SB 835	Glazer D	Parks: smoking ban.	8/30/2018-Assembly amendments concurred in. (Ayes 25. Noes 11.) Ordered to engrossing and enrolling.	Would make it an infraction punishable by a fine of up to \$25 for a person to smoke, as defined, in a unit of the state park system, as defined, or to dispose of used cigar or cigarette waste in a unit of the state	Chronic Disease

				park system unless the disposal is made in an appropriate waste receptacle. The bill would establish a state-mandated local program by creating a new crime.	
SB 836	Glazer D	State beaches: smoking ban.	8/30/2018-Assembly amendments concurred in. (Ayes 25. Noes 11.) Ordered to engrossing and enrolling.	Would make it an infraction punishable by a fine of up to \$25 for a person to smoke, as defined, on a state coastal beach or to dispose of used cigar or cigarette waste on a state coastal beach unless the disposal is made in an appropriate waste receptacle. The bill would establish a state-mandated local program by creating a new crime.	Chronic Disease
SB 972	Portantino D	Pupil and student health: identification cards: suicide prevention hotline telephone numbers.	8/24/2018-Enrolled and presented to the Governor at 4 p.m.	Would require a public school, including a charter school, or a private school that serves pupils in any of grades 7 to 12, inclusive, that issues pupil identification cards to have printed on either side of the pupil identification cards the telephone number for a suicide prevention hotline or the Crisis Text Line, or both telephone numbers. The bill would require a public or private institution of higher education that issues student identification cards to have printed on either side of the student identification cards the telephone number for a suicide prevention hotline or the Crisis Text Line, or both telephone numbers, and would authorize	MCAH

				the institution to have printed on either side of the student identification cards the campus police or security telephone number, or the local nonemergency telephone number, as provided.	
SB 1192	Monning D	Children's meals.	8/28/2018-Enrolled and presented to the Governor at 3:30 p.m.	Would require a restaurant, as defined, that sells a children's meal that includes a beverage, to make the default beverage water, sparkling water, or flavored water, as specified, or unflavored milk or a nondairy milk alternative, as specified. The bill would not prohibit a restaurant's ability to sell, or a customer's ability to purchase, an alternative beverage if the purchaser requests one.	Chronic Disease, MCAH

4 - Support If Amended

Measure	Author	Topic	Status	Brief Summary	Subject Area
SB 1480	Hill D	Professions and vocations.	8/31/2018-Assembly amendments concurred in. (Ayes 30. Noes 6.) Ordered to engrossing and enrolling.	Current law establishes the Department of Consumer Affairs, specifies the various boards that comprise the department, and requires the boards to meet at least 3 times a year. This bill would instead require the boards to meet at least 2 times a year.	Small Jurisdictions

6 - Oppose

Measure	Author	Topic	Status	Brief Summary	Subject Area
AB 626	Garcia, Eduardo D	California Retail Food Code: microenterprise home kitchen operations.	9/6/2018-Enrolled and presented to the Governor at 3 p.m.	This bill would, among other things, include a microenterprise home kitchen operation within the definition of a food facility, and would define a microenterprise home kitchen operation to mean a food facility that	Environmental Health

				is operated by a resident in a private home where food is stored, handled, and prepared for, and may be served to, consumers, and that meets specified requirements, including, among others, that the operation has no more than one full-time equivalent food employee and has no more than \$50,000 in verifiable gross annual sales.	
AB 1787	Salas D	Reporting: Valley Fever.	8/28/2018- Approved by the Governor. Chaptered by Secretary of State - Chapter 229, Statutes of 2018.	Would require the State Department of Public Health , when it receives a report of a case of coccidioidomycosis after the department's reporting deadline for a specified year, to include the case in its data collection for the next year and attribute it to the year of diagnosis in future data reporting. This bill would require the department to collect data on coccidioidomycosis cases by April 15 of each year, as specified.	Communicable Disease, Health Information and Data
AB 1788	Salas D	Public health: Valley Fever.	8/28/2018- Approved by the Governor. Chaptered by Secretary of State - Chapter 230, Statutes of 2018.	Current law requires the State Department of Public Health to establish a list of reportable diseases and conditions. Current law requires, for each reportable disease and condition, the department to specify the timeliness requirements related to the reporting of each disease and condition, and the mechanisms required for, and the content to be included in, reports made. This bill would, until January	Communicable Disease, Health Information and Data

				1, 2024, authorize the department, for the purpose of reports confirming a case of Valley Fever, to use a laboratory criteria for diagnosis, with or without clinical criteria.	
SB 905	Wiener D	Alcoholic beverages: hours of sale.	8/30/2018-Assembly amendments concurred in. (Ayes 28. Noes 8.) Ordered to engrossing and enrolling.	Would, beginning January 1, 2021, and before January 2, 2026, would require the Department of Alcoholic Beverage Control to conduct a pilot program that would authorize the department to issue an additional hours license to an on-sale licensee located in a qualified city which would authorize, with or without conditions, the selling, giving, or purchasing of alcoholic beverages at the licensed premises between the hours of 2 a.m. and 4 a.m., upon completion of specified requirements by the qualified city in which the licensee is located. The bill would impose specified fees related to the license to be deposited in the Alcohol Beverage Control Fund.	Chronic Disease

7 - Tracked Bills

Measure	Author	Topic	Status	Brief Summary	Subject Area
AB 60	Santiago D	Subsidized child care and development services: stages of child care: CalWORKs.	9/6/2018-Enrolled and presented to the Governor at 3 p.m.	The The Child Care and Development Services Act establishes 3 stages of child care services through which a recipient of CalWORKs will pass. This bill would prohibit the first stage or the 2nd stage of child care services from being discontinued until confirmation is received from the administrator of the subsequent stage	MCAH

				of child care that the family has been enrolled in the subsequent stage of child care, or that the family is ineligible for services in the subsequent stage of child care, in order to ensure that there is no disruption in child care services due to the planned transition between the stages of CalWORKs child care.	
AB 479	Gonzalez Fletcher D	Workers' compensation: permanent disability apportionment.	8/24/2018-Enrolled and presented to the Governor at 4:30 p.m.	Current law requires apportionment of permanent disability to be based on causation, and a physician who prepares a report addressing the issue of permanent disability due to a claimed industrial injury is required to address the issue of causation of the permanent disability. The physician is required to make an apportionment determination by finding the approximate percentage of permanent disability that was caused by the direct result of injury arising out of and occurring in the course of employment. This bill would require, if an employee sustains an injury arising out of and in the course of employment resulting in breast cancer, specified impairments to be considered, including the presence or absence of the organ, skin disfigurement, and pain, among other things.	Health Equity
AB 613	Nazarian D	Healing arts: clinical	9/6/2018-Enrolled	Current law	Communicable

		laboratories.	and presented to the Governor at 3 p.m.	provides for the licensure, registration, and regulation of clinical laboratories and various clinical laboratory personnel by the State Department of Public Health, with specified exceptions. Current law authorizes a person who is licensed under those provisions to perform certain laboratory tests. This bill, until January 1, 2021, would authorize a person with specified qualifications to perform a total protein test using a digital refractometer in a licensed plasma collection center in this state if specified circumstances are met, as determined by the department, including that the person meets certain education and training requirements.	Disease
AB 686	Santiago D	Housing discrimination: affirmatively further fair housing.	9/4/2018-Enrolled and presented to the Governor at 3 p.m.	Would require a public agency, as defined, to administer its programs and activities relating to housing and community development in a manner to affirmatively further fair housing, and to not take any action that is materially inconsistent with this obligation, as provided.	Health Equity
AB 697	Fong R	Tolls: exemption for privately owned emergency ambulances.	9/4/2018-Enrolled and presented to the Governor at 3 p.m.	Current law provides for the exemption of authorized emergency vehicles, as defined, from the payment of a toll or charge on a vehicular crossing, toll highway, or high-occupancy toll (HOT) lane and any	Emergency Preparedness

				<p>related fines, when the authorized emergency vehicle is being driven under specified conditions, including, among others, the vehicle is displaying public agency identification and driven while responding to or returning from an urgent or emergency call. Current law prohibits a person from operating a privately owned emergency ambulance unless licensed by the Department of the California Highway Patrol. This bill would generally modify the exemption to apply to the use of a toll facility, as defined, and would expand the exemption, dispute resolution procedures, and agreement provisions to include a privately owned emergency ambulance licensed by the Department of the California Highway Patrol.</p>	
AB 829	Chiu D	Local government: funding: state-assisted projects.	9/6/2018-Enrolled and presented to the Governor at 3 p.m.	<p>Current law authorizes a local government to fund all or a part of a housing project or development. Current law states legislative findings and declarations regarding the need for affordable housing and local authority to approve housing developments. This bill would prohibit the award, availability, or utilization of state assistance, as defined, for any housing development that is subject to a requirement as a threshold or condition for</p>	Chronic Disease

				applying or being eligible for the award of any funding that the development proponent receive a letter of acknowledgment, letter of approval, or similar document from a legislative body of a local agency or from a member of a local legislative body.	
AB 1116	Grayson D	Peer Support and Crisis Referral Services Pilot Program.	8/28/2018-Enrolled and presented to the Governor at 3 p.m.	Would, until January 1, 2024, create the Peer Support and Crisis Referral Services Pilot Program. The bill would, for purposes of the act, define a "peer support team" as a team composed of emergency service personnel, as defined, hospital staff, clergy, and educators who have been appointed to the team by a Peer Support Labor-Management Committee, as defined, and who have completed a peer support training course developed and delivered by the California Firefighter Joint Apprenticeship Committee or the Commission on Correctional Peace Officer Standards and Training, as specified.	Emergency Preparedness
AB 1423	Chiu D	Tidelands and submerged lands: City and County of San Francisco: seawall lots: affordable housing.	9/6/2018-Enrolled and presented to the Governor at 3 p.m.	Under current law, the Burton Act and the Burton Act transfer agreement, the interest of the state in and to the Harbor of San Francisco was transferred in trust to the City and County of San Francisco. Current law authorizes the port to provide a rent credit or other waiver or deferral of rent in	Health Equity

				<p>connection with a nontrust lease of seawall lot 322-1 that results in an effective rent to the port below fair market value, if the commission finds, among other things, that the nontrust lease is for affordable housing. Current law imposes certain requirements on the port with regard to the construction of affordable housing on seawall lot 322-1. This bill would revise the definition of "affordable housing" to mean, specifically for seawall lot 322-1, a structure that provides housing for persons and families of low or moderate income, as defined, persons and families from very low income households, as defined, or persons and families from extremely low income households, as defined.</p>	
AB 1529	Thurmond D	Drinking water: cross-connection or backflow prevention device inspectors: certification.	9/4/2018-Enrolled and presented to the Governor at 3 p.m.	Current law requires the State Water Resources Control Board, on or before January 1, 2020, to adopt standards for backflow protection and cross-connection control. This bill would require valid and current certifications for cross-connection inspection and testing or backflow prevention device inspection, testing, and maintenance that meet specified requirements for competency to be accepted certification tests either until the state board promulgates standards for certified backflow	Environmental Health

				prevention device testers and cross-connection control specialists, or until January 1, 2020, whichever comes first.	
AB 1747	Rodriguez D	School safety plans.	9/4/2018-Enrolled and presented to the Governor at 3 p.m.	Would provide that it is the intent of the Legislature that all public schools, in kindergarten, and grades 1 to 12, inclusive, operated by school districts, including in cooperation with classified employees, develop a comprehensive school safety plan, and that all school staff be trained on this plan.	Emergency Preparedness
AB 1751	Low D	Controlled substances: CURES database.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	This bill would require the Department of Justice, no later than July 1, 2020, to adopt regulations regarding the access and use of the information within CURES by consulting with stakeholders, and addressing certain processes, purposes, and conditions in the regulations. The bill would authorize the department, once final regulations have been issued, to enter into an agreement with any entity operating an interstate data sharing hub, or any agency operating a prescription drug monitoring program in another state, for purposes of interstate data sharing of prescription drug monitoring program information, as specified.	Health Information and Data
AB 1753	Low D	Controlled substances: CURES database.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Current law requires the Department of Justice to maintain the Controlled	Health Information and Data

				<p>Substance Utilization Review and Evaluation System (CURES) for the electronic monitoring of the prescribing and dispensing of Schedule II, Schedule III, and Schedule IV controlled substances by a health care practitioner authorized to prescribe, order, administer, furnish, or dispense a Schedule II, Schedule III, or Schedule IV controlled substance. Current law requires prescription forms for controlled substance prescriptions to be obtained from security printers approved by the department, as specified. Existing law requires a dispensing pharmacy, clinic, or other dispenser to report specified information to the department. This bill would authorize the department to reduce or limit the number of approved printers to 3, as specified. The bill would require prescription forms for controlled substance prescriptions to have a uniquely serialized number, in a manner prescribed by the department, and would require a printer to submit specified information to the department for all prescription forms delivered.</p>	
AB 1766	Maienschein R	Swimming pools: public safety.	9/6/2018-Approved by the Governor. Chaptered by Secretary of State - Chapter 270, Statutes of 2018.	Current law provides for the regulation of private swimming pools. Current law also provides for	Chronic Disease

				<p>the regulation of public swimming pools by the State Department of Public Health. Current law requires the provision of lifeguard services at any public swimming pool that is of wholly artificial construction and for the use of which a direct fee, as defined, is imposed. A violation of those provisions is a crime. This bill would require those public swimming pools, as defined, that are required to provide lifeguard services and that charge a direct fee to additionally provide an Automated External Defibrillator (AED) during pool operations, as specified.</p>	
AB 1771	Bloom D	Planning and zoning: regional housing needs assessment.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	<p>The Planning and Zoning Law requires the appropriate council of governments, or, for cities and counties without a council of governments, the Department of Housing and Community Development, to adopt a final regional housing need allocation plan that allocates a share of the regional housing need to each city, county, or city and county and is consistent with specified objectives, including that the plan increase the housing supply and the mix of housing types, tenure, and affordability in all cities and counties within the region in an equitable manner. Current law defines the</p>	Health Equity

				term "household income levels" for purposes of these provisions. This bill would revise the objectives required to be addressed in the regional housing needs allocation plan and additionally require the plan to include an objective to increase access to areas of high opportunity for lower-income residents, while avoiding displacement and affirmatively furthering fair housing.	
AB 1776	Steinorth R	Emergency medical transport of police dogs: pilot project.	9/6/2018-Approved by the Governor. Chaptered by Secretary of State - Chapter 272, Statutes of 2018.	Would authorize the County of San Bernardino to work with the Inland Counties Emergency Medical Agency to conduct a pilot project, commencing January 1, 2019, that would authorize transportation for a police dog, as defined, injured in the line of duty to a facility that is capable of providing veterinary medical services to that dog, if certain conditions are met. The bill would require the Inland Counties Emergency Medical Agency to collect specified data about the pilot project and submit a report to the Legislature describing the data by January 1, 2022. The bill would repeal these provisions on January 1, 2022.	Emergency Preparedness
AB 1793	Bonta D	Cannabis convictions: resentencing.	8/27/2018-Enrolled and presented to the Governor at 3 p.m.	Would require the Department of Justice, before July 1, 2019, to review the records in the state summary criminal history information database and to	Health Equity

				identify past convictions that are potentially eligible for recall or dismissal of sentence, dismissal and sealing, or redesignation pursuant to AUMA. The bill would require the department to notify the prosecution of all cases in their jurisdiction that are eligible for recall or dismissal of a sentence, dismissal and sealing, or redesignation.	
AB 1798	Chu D	Schoolbuses: passenger restraint systems.	8/27/2018- Approved by the Governor. Chaptered by Secretary of State - Chapter 206, Statutes of 2018.	Would require that, on or before July 1, 2035, all schoolbuses in use in California be equipped with a passenger restraint system, as defined. Because a violation of the bill's requirements would be a crime, the bill would impose a state-mandated local program.	Chronic Disease, MCAH
AB 1801	Nazarian D	Newborns: cytomegalovirus public education and testing.	9/4/2018-Enrolled and presented to the Governor at 3 p.m.	Would, until January 1, 2023, require the State Department of Health Care Services to establish a commission on Cytomegalovirus (CMV) Public Education and Testing. The bill would require the commission to examine research and data relating to congenital CMV, as specified. The bill would require the director of the department to appoint members to the commission, as specified. The bill would require the commission to submit a report to the Legislature on or before December 31, 2019, and an additional report on or before December 31, 2022, as specified.	Communicable Disease, MCAH

AB 1804	Berman D	California Environmental Quality Act: exemption: residential or mixed-use housing projects.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Would, until January 1, 2025, exempt from CEQA residential or mixed-use housing projects, as defined, located in unincorporated areas of a county meeting certain requirements. The bill would require a lead agency, if the lead agency determines that a residential or mixed-use housing project is exempt from CEQA, to file a notice of exemption with the Office of Planning and Research and the county clerk in the county in which the project is located. Because a lead agency would be required to determine the applicability of this exemption and to file a notice with the office and the county clerk, this bill would impose a state-mandated local program.	Chronic Disease
AB 1857	Nazarian D	Building codes: earthquake safety: immediate occupancy standard.	9/4/2018-Enrolled and presented to the Governor at 3 p.m.	The California Building Standards Law provides for the adoption of building standards by state agencies by requiring all state agencies that adopt or propose adoption of any building standard to submit the building standard to the California Building Standards Commission (commission) for approval and adoption. This bill would require the commission to assemble a functional recovery working group comprised of certain state entities and members of the construction and insurance industries, as specified. The bill	Emergency Preparedness

				would require the working group, by July 1, 2022, to consider whether a "functional recovery" standard is warranted for all or some building occupancy classifications and to investigate the practical means of implementing that standard, as specified.	
AB 1877	Limón D	Office of Emergency Services: communications: notifications: translation.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Would require the Office of Emergency Services to create a library of translated emergency notifications and a translation style guide, as specified, and would require designated alerting authorities, as defined, to consider using the library and translation style guide that may be used by designated alerting authorities when issuing emergency notifications to the public. The bill would authorize the office to require a city, county, or city and county to translate emergency notifications as a condition of approving its application to receive any voluntary grant funds with a nexus to emergency management performance.	Emergency Preparedness, Health Equity
AB 1884	Calderon D	Food facilities: single-use plastic straws.	8/28/2018-Enrolled and presented to the Governor at 3 p.m.	Would prohibit a full-service restaurant, as specified, from providing single-use plastic straws, as defined, to consumers unless requested by the consumer. The bill would specify that the first and 2nd violations of these provisions would result in a notice of violation and any subsequent violation would be	Environmental Health

				an infraction punishable by a fine of \$25 for each day the full-service restaurant is in violation, but not to exceed an annual total of \$300. The provisions would be enforced by the same officers authorized to enforce the California Retail Food Code.	
AB 1892	Jones-Sawyer D	CalFresh.	8/28/2018-Enrolled and presented to the Governor at 3 p.m.	Would direct the State Department of Social Services to issue guidance to counties participating in the CalFresh E&T program with instructions for providing the support services or client reimbursements described above, including instructions for reimbursing a proportion of the cost of Internet or telephone service.	Chronic Disease
AB 1894	Weber D	Postsecondary education: student hunger.	8/24/2018-Enrolled and presented to the Governor at 4:30 p.m.	Current law requires each public and private postsecondary educational institution that is located in a county that participates in the Restaurant Meals Program (RMP) to apply to become an approved food vendor for the program, if the institution operates any qualifying food facilities, as defined, on campus, or to provide contracting on-campus food vendors, as defined, with specified information about the program. This bill would require an approved on-campus qualifying food facility that participates in the RMP pursuant to the bill to meet all of the requirements	Chronic Disease, Health Equity

				for participation in that program.	
AB 1914	Flora R	Underground installations: excavations.	8/31/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Current law requires an excavator planning to conduct any excavation to contact the appropriate regional notification center before beginning that excavation, as specified. Current law, if an excavation is within the tolerance zone of a subsurface installation, requires the excavator to determine the exact location of the subsurface installations in conflict with the excavation using specified tools, except as otherwise provided. This bill, beginning July 1, 2020, would authorize an excavator to use certain equipment prior to determining the exact location of the subsurface installations, and would require the California Underground Facilities Safe Excavation Board, on or before July 1, 2020, to adopt regulations to implement this provision.	Emergency Preparedness
AB 1919	Wood D	Price gouging: state of emergency.	8/31/2018-Read third time. Passed. Ordered to the Assembly. In Concurrence in Senate amendments pending. Assembly Rule 63 suspended. Senate amendments concurred in. To Engrossing and Enrolling.	Would, upon the proclamation or declaration of an emergency as specified, make it a misdemeanor for a person, business, or other entity to increase the rental price, as defined, advertised, offered, or charged for housing to an existing or prospective tenant by more than 10%. The bill would extend the prohibition with regards to housing	Emergency Preparedness, Health Equity

				for any period that the proclamation or declaration is extended. The bill would additionally make it a misdemeanor for a person, business, or entity to evict a housing tenant after the proclamation of a state of emergency and then rent or offer to rent to another person at a rental price higher than the evicted tenant could be charged.	
AB 1930	Stone, Mark D	Foster care.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Would, among other things, make various changes to specified procedures relating to the placement of dependent children, including revising a prohibition on placement of a child in a home on an emergency basis pending a criminal records exemption to apply only when the person has been convicted of a misdemeanor conviction of specified crimes and waiving a 14-day notice requirement for the placement of a child outside the county when the child and family team has determined that the identified placement is in the best interest of the child, no member of the child and family team objects to the placement, and the child's attorney has been informed of the intended placement and has no objection.	MCAH
AB 1956	Limón D	Fire prevention activities: local assistance grant program.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Current law requires the Director of Forestry and Fire Protection to establish a working group, consisting of specified members, to identify potential incentives for	Emergency Preparedness

				landowners to implement prefire activities, as defined, in state responsibility areas and urban wildland communities and to identify all federal, state, or local programs, private programs, and any other programs requiring a cost share that involves prefire activities. This bill would repeal this law.	
AB 1959	Wood D	Telecommunications: universal service programs.	9/5/2018-Approved by the Governor. Chaptered by Secretary of State - Chapter 256, Statutes of 2018.	Current law, until January 1, 2019, requires the Public Utilities Commission to develop, implement, and maintain a suitable program to establish a fair and equitable local rate structure aided by universal service rate support to small independent telephone corporations that serve rural areas and are subject to rate-of-return regulation by the commission (the CHCF-A program). Current law, until January 1, 2019, requires the commission to develop, implement, and maintain a suitable, competitively neutral, and broad-based program to establish a fair and equitable local rate support structure aided by universal service rate support to telephone corporations serving areas where the cost of providing services exceeds rates charged by providers, as determined by the commission (the CHCF-B program). This bill would extend the CHCF-A program and CHCF-	Health Equity

				B program requirements to January 1, 2023.	
AB 1974	Gonzalez Fletcher D	Pupils: collection of debt.	9/6/2018-Enrolled and presented to the Governor at 3 p.m.	Would enact the Public School Fair Debt Collection Act. The act would provide that a pupil or former pupil, unless emancipated at the time the debt is incurred, can never owe or be billed for a debt owed to a public school or school district, county office of education, charter school, or state special school. The act would prohibit those educational entities from taking negative actions against a pupil or former pupil because of a debt owed to the educational entity, including, among other things, denying or withholding grades or transcripts, or denying or withholding a diploma.	Health Equity, MCAH
AB 1992	Chu D	CalWORKs eligibility: immunizations.	9/4/2018-Enrolled and presented to the Governor at 3 p.m.	Would, commencing July 1, 2019, require a county human services agency to first try to obtain verification from the California Immunization Registry that a child who is not required to be enrolled in school has received all age-appropriate immunizations. The bill would require, if the county human services agency is unable to secure the documentation using the California Immunization Registry, the applicant or recipient to submit the documentation. The bill would require the county to send a notice of the obligation to submit documentation and	Communicable Disease

				support compliance, as specified, to the applicant or recipient.	
AB 1999	Chau D	Local government: public broadband services.	9/6/2018-Enrolled and presented to the Governor at 3 p.m.	Would expressly authorize a county service area to acquire, construct, improve, maintain, and operate broadband Internet access services, and would require a county service area that does so to take certain actions regarding the accessing of content on the Internet by end users of that service, as specified. This bill contains other related provisions and other existing laws.	Health Equity
AB 2009	Maienschein R	Interscholastic athletic programs: school districts: written emergency action plans: automated external defibrillator.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Would, If a school district or charter school elects to offer any interscholastic athletic program, require the school district or charter school to (1) ensure that there is a written emergency action plan in place, and posted as specified, that describes the location and procedures to be followed in the event of sudden cardiac arrest or other medical emergencies related to the athletic program's activities or events, (2) acquire, commencing July 1, 2019 at least one AED for each school within the school district or the charter school to be available on campus, (3) encourage that the AED or AEDs are available for the purpose of rendering emergency care or treatment, as specified, (4) ensure that the	Chronic Disease, MCAH

				AED or AEDs are available to athletic trainers and coaches and authorized persons at the athletic program's on campus activities or events, and 5) ensure that the AED or AEDs are maintained and regularly tested, as specified.	
AB 2012	Medina D	School and community college employees: parental leave.	9/6/2018-Enrolled and presented to the Governor at 3 p.m.	Would require, regardless of the type of differential pay system used by a school district or community college district, a person employed in a position requiring certification qualifications and a person employed in an academic position to receive no less than 50% of his or her regular salary for the remaining portion of the 12-workweek period of parental leave. This bill contains other related provisions and other existing laws.	MCAH
AB 2020	Quirk D	Cannabis: local jurisdiction licensees: temporary event license.	8/29/2018-Senate amendments concurred in. To Engrossing and Enrolling.	MAUCRSA authorizes a state licensing authority to issue a state temporary event license to a licensee authorizing onsite cannabis sales to, and consumption by, persons 21 years of age or older at a county fair or district agricultural association event, provided that certain other requirements are met. This bill would authorize a state temporary event license to be issued to a licensee for an event to be held at any other venue expressly approved by a local jurisdiction for events, as specified. The bill would modify the	Environmental Health, Small Jurisdictions

				requirements codified in MAUCRSA to include requirements that are similar to those provided in regulations adopted by the bureau as specified.	
AB 2037	Bonta D	Pharmacy: automated patient dispensing systems.	8/31/2018-Read third time. Urgency clause adopted. Passed. Ordered to the Assembly. In Assembly. Concurrence in Senate amendments pending. Urgency clause adopted. Senate amendments concurred in. To Engrossing and Enrolling.	The Pharmacy Law authorizes specified licensed health clinics, including nonprofit and free clinics, to use an automated drug delivery system, operated under the authorization of a pharmacist, and under which the clinic is responsible for the safety and security of the drugs in the system. This bill would provide an alternative program to authorize a pharmacy located in the state to provide pharmacy services to the patients of covered entities, as defined, that are eligible for discount drug programs under federal law, as specified, through the use of an automated patient dispensing system, as defined.	Small Jurisdictions
AB 2043	Arambula D	Foster children and youth: family urgent response system.	9/6/2018-Enrolled and presented to the Governor at 3 p.m.	Current law, commonly known as Continuum of Care Reform (CCR), states the intent of the Legislature in adopting CCR to improve California's child welfare system and its outcomes. This bill would make legislative findings and declarations, stating the intent of the Legislature in adopting this bill to build upon the current CCR implementation effort. The bill would require the State Department of Social Services to establish a statewide hotline,	MCAH

				operational no later than January 1, 2020, as the entry point for a Family Urgent Response System, as defined, to respond to calls from caregivers or current or former foster children or youth when a crisis arises, as specified.	
AB 2044	Stone, Mark D	Domestic violence: family court.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Current law requires a family court to determine the best interests of the child for purposes of deciding child custody in proceedings for dissolution of marriage, nullity of marriage, legal separation of the parties, petitions for exclusive custody of a child, and proceedings under the Domestic Violence Prevention Act. In making that determination, current law requires the court to consider specified factors, including whether either of the child's parents habitually or continually uses alcohol or illegal drugs. This bill would require the court to make the determination consistent with specified findings.	MCAH
AB 2050	Caballero D	Small System Water Authority Act of 2018.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Would create the Small System Water Authority Act of 2018 and state legislative findings and declarations relating to authorizing the creation of small system water authorities that will have powers to absorb, improve, and competently operate noncompliant public water systems. The bill, no later than March 1, 2019, would require the state board to provide written	Environmental Health

				notice to cure to all public agencies, private water companies, or mutual water companies that operate a public water system that has either less than 3,000 service connections or that serves less than 10,000 people, and are not in compliance, for 4 consecutive quarters, with one or more state or federal primary drinking water standard maximum contaminant levels as of December 31, 2018, as specified.	
AB 2058	Chau D	Vehicles: driving under the influence: cannabis.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Current law prohibits a person who is under the influence of alcohol, drugs, or the combined influence of alcohol or drugs from driving a vehicle. Current law also prohibits a person from driving under the influence and proximately causing bodily harm to another person, as specified. Current law defines a drug, for purposes of these provisions, as any substance or combination of substances other than alcohol that can affect the nervous system, brain, or muscles of a person in a manner that impairs the ability to safely drive a vehicle. This bill would recast these provisions to make driving under the influence of cannabis, or driving under the combined influence of cannabis and another drug, each a separate offense, but with no changes to the penalty.	Chronic Disease, Health Information and Data
AB 2064	Gloria D	Integrated regional	9/6/2018-Enrolled	Current law, until	Environmental

		water management plans: grants: advanced payment.	and presented to the Governor at 3 p.m.	January 1, 2025, requires a regional water management group, within 90 days of notice that a grant has been awarded, to provide the Department of Water Resources with a list of projects to be funded by the grant funds if the project proponent is a nonprofit organization or a disadvantaged community or the project benefits a disadvantaged community. Current law requires the department, within 60 days of receiving this project information, to provide advanced payment of 50% of the grant award for those projects that satisfy specified criteria. The bill, until January 1, 2025, would require the department to provide a project proponent that requests advanced payment and satisfies certain criteria with advanced payment for those projects of \$500,000 or 50% of the grant award, whichever is less.	Health
AB 2083	Cooley D	Foster youth: trauma-informed system of care.	9/6/2018-Enrolled and presented to the Governor at 3 p.m.	Would state the intent of the Legislature in adopting the bill to build upon the current CCR implementation effort by, among other things, developing a coordinated, timely, and trauma-informed system-of-care approach for children and youth in foster care who have experienced severe trauma. The bill would require each county to develop and implement a	MCAH

				memorandum of understanding, as specified, setting forth the roles and responsibilities of agencies and other entities that serve children and youth in foster care who have experienced severe trauma.	
AB 2086	Gallagher R	Controlled substances: CURES database.	9/6/2018-Approved by the Governor. Chaptered by Secretary of State - Chapter 274, Statutes of 2018.	Current law classifies certain controlled substances into designated schedules. Current law requires the Department of Justice to maintain the Controlled Substance Utilization Review and Evaluation System (CURES) for the electronic monitoring of the prescribing and dispensing of Schedule II, Schedule III, and Schedule IV controlled substances by a health care practitioner authorized to prescribe, order, administer, furnish, or dispense a Schedule II, Schedule III, or Schedule IV controlled substance. This bill would allow prescribers to access the CURES database for a list of patients for whom that prescriber is listed as a prescriber in the CURES database.	Chronic Disease, Health Information and Data
AB 2112	Santiago D	Federal 21st Century Cures Act: community-based crisis response plan: grant.	9/6/2018-Enrolled and presented to the Governor at 3 p.m.	Current federal law, the 21st Century Cures Act, authorizes the United States Secretary of Health and Human Services to award competitive grants to state and local governments and Indian tribes and tribal organizations to enhance community-based	Emergency Preparedness

				crisis response systems that, among other things, promote integration and coordination between local public and private entities engaged in crisis response, such as first responders, health care providers, and behavioral health providers, and addresses gaps in community resources for crisis intervention and prevention. This bill would require the department to develop and submit an application to solicit a grant under the federal authority described above to develop a community-based crisis response plan and would require the grant application to include, at a minimum, and consistent with federal grant application requirements, a plan for specified objectives.	
AB 2122	Reyes D	Medi-Cal: blood lead screening tests.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Would require the State Department of Health Care Services to ensure that a child enrolled in Medi-Cal receives blood lead screening tests at 12 and 24 months of age, or at any time at which the child is identified as having a high risk of lead exposure, as described by the State Department of Public Health, and that a child 2 to 6 years of age, inclusive, receives a blood lead screening test if there is no record of a previous test for that child.	Chronic Disease, Environmental Health, MCAH
AB 2152	Weber D	CalFresh: able-bodied adults without dependents.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Current federal law provides for the Supplemental Nutrition Assistance	Chronic Disease, Health Equity

				<p>Program (SNAP), known in California as CalFresh, under which supplemental nutrition assistance benefits allocated to the state by the federal government are distributed to eligible individuals by each county. Current federal law limits a participant who is an able-bodied adult without dependents (ABAWD) to 3 months of CalFresh benefits in a 3-year period unless that participant has met specified work participation requirements. This bill would require the department, in consultation with public health officials and CalFresh advocates, among others, by July 1, 2019, to define "food insecurity" for purposes of the bill, develop a tool that would screen for food insecurity and other basic needs deprivation, and to issue guidance that includes a copy of the screening tool, and issuing instructions for verifying when a person is "unfit for employment" following a screening that has determined that he or she is food insecure or deprived of their basic needs.</p>	
AB 2153	Thurmond D	Teachers: in-service training: lesbian, gay, bisexual, transgender, queer, and questioning pupil resources.	9/6/2018-Enrolled and presented to the Governor at 3 p.m.	Would, contingent upon an appropriation made for these purposes, would require each school operated by a school district or county office of education and each charter school to annually provide in-service training to teachers of pupils in grades 7 to 12,	Health Equity

				inclusive, and to all other certificated employees at that school, on schoolsite and community resources for the support of lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ) pupils as well as strategies to increase support for LGBTQ pupils and thereby improve overall school climate, as specified. To the extent the bill, upon implementation, would impose additional duties on public schools and local educational agencies, the bill would impose a state-mandated local program.	
AB 2162	Chiu D	Planning and zoning: housing development: supportive housing.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	The Planning and Zoning Law requires the housing element to contain, among other things, an assessment of housing needs and an inventory of resources and constraints relevant to meeting those needs and a program that sets forth a schedule of actions during the planning period, each with a timeline for implementation. That law specifies that transitional housing and supportive housing are a residential use of property, subject only to those restrictions that apply to other residential dwellings of the same type in the same zone. This bill would make a nonsubstantive change to this requirement.	Chronic Disease, Health Equity
AB 2164	Cooley D	Local ordinances: fines and penalties: cannabis.	8/20/2018-Enrolled and presented to the Governor at 3 p.m.	Current law requires the ordinance adopted by the local agency	Environmental Health

				to provide for a reasonable period of time, as specified in the ordinance, for a person responsible for a continuing violation to correct or otherwise remedy the violation prior to the imposition of administrative fines or penalties, when the violation pertains to building, plumbing, electrical, or other similar structural or zoning issues, that do not create an immediate danger to health or safety. This bill would provide that the ordinance may provide for the immediate imposition of administrative fines or penalties for the violation of building, plumbing, electrical, or other similar structural, health and safety, or zoning requirements if the violation exists as a result of, or to facilitate, the illegal cultivation of cannabis, except as specified.	
AB 2178	Limón D	Limited service charitable feeding operation.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Would exempt a limited service charitable feeding operation from the definition of food facility. The bill would define that operation as an operation for food service to a consumer solely for providing charity, that is conducted by a nonprofit charitable organization, as defined, and whose food service is limited to any of specified functions. The bill would specify that the operation would not include a temporary food facility or a nonprofit charitable	Chronic Disease, Communicable Disease, Environmental Health

				temporary food facility, as specified.	
AB 2190	Reyes D	Hospitals: seismic safety.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Current law provides that, after January 1, 2008, a general acute care hospital building that is determined to be a potential risk of collapse or to pose significant loss of life in the event of seismic activity be used only for nonacute care hospital purposes, except that the office may grant 5-year and 2-year extensions under prescribed circumstances, except as specified. Current law requires an owner of a general acute care hospital building that is classified as nonconforming to submit a report to the office no later than November 1, 2010, describing the status of each building in complying with the extension provisions, and to annually update the office with any changes or adjustments. Current law authorizes certain hospital owners who do not have the financial capacity or other reasons to bring certain buildings into compliance by the January 1, 2013, deadline to instead replace those buildings or take other action by January 1, 2020, as specified. This bill would require all hospitals with buildings subject to the January 1, 2020, deadline described above and that are seeking an extension for their buildings to submit an application to	Emergency Preparedness

				the Office of Statewide Health Planning and Development by April 1, 2019, that specifies the seismic compliance method each building will use, as specified.	
AB 2193	Maienschein R	Maternal mental health.	9/6/2018-Enrolled and presented to the Governor at 3 p.m.	Would require, by July 1, 2019, a licensed health care practitioner who provides prenatal or postpartum care for a patient to offer to screen or appropriately screen a mother for maternal mental health conditions.	MCAH
AB 2202	Gray D	University of California: school of medicine: San Joaquin Valley Regional Medical Education Endowment Fund.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Would create the University of California San Francisco San Joaquin Valley Regional Medical Education Endowment Fund for the purpose of supporting the annual operating costs for the development, operation, and maintenance of a branch campus of the University of California, San Francisco, School of Medicine in the San Joaquin Valley, as specified. The bill also provides that moneys in the fund shall not be expended on the development, operation, or maintenance of the branch campus until the Controller determines a sufficient balance of \$500 million is achieved and maintained in the fund.	Small Jurisdictions
AB 2204	Gray D	Clinics: licensure and regulation: exemption.	9/6/2018-Approved by the Governor. Chaptered by Secretary of State - Chapter 279, Statutes of 2018.	Current law provides for the regulation and licensure of clinics, as defined, by the State Department of Public Health. Under current law, specified types of clinics are	Small Jurisdictions

				<p>exempted from these licensing provisions, including a clinic that is operated by a primary care community or free clinic and that is operated on separate premises from the licensed clinic and is only open for limited services of no more than 30 hours a week. This bill would instead exempt a clinic that is operated by a primary care community or free clinic and that is operated on separate premises from the licensed clinic and is only open for limited services of no more than 40 hours a week.</p>	
AB 2207	Eggman D	Commercially sexually exploited children.	9/6/2018-Enrolled and presented to the Governor at 3 p.m.	<p>Current law requires county child welfare agencies and probation departments to develop and implement policies and procedures or protocols that require social workers and probation officers to identify children who are at risk of becoming victims of commercial sexual exploitation, to determine whether a child or nonminor dependent is a possible victim of commercial sexual exploitation, and to document this information, as specified. Current law also requires the State Department of Social Services to develop, in consultation with specified stakeholders, model policies, procedures, and protocols to assist the counties in complying with</p>	MCAH

				these requirements. This bill would require the State Department of Social Services to develop the model policies, procedures, and protocols described above by no later than January 1, 2020.	
AB 2219	Ting D	Landlord-tenant: 3rd-party payments.	8/28/2018- Approved by the Governor. Chaptered by Secretary of State - Chapter 233, Statutes of 2018.	Current law regulates the terms and conditions of residential tenancies. Current law requires a landlord or his or her agent to allow a tenant to pay rent or a security deposit by at least one form of payment that is neither cash nor electronic funds transfer, except as specified. This bill would require, subject to specified limitations, a landlord or a landlord's agent to allow a tenant to pay rent through a third party.	Health Equity
AB 2238	Aguiar-Curry D	Local agency formation: regional housing need allocation: fire hazards: local health emergencies: hazardous and medical waste.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 provides the authority and procedures for the initiation, conduct, and completion of changes of organization and reorganization of cities and districts. The act specifies the factors that a local agency formation commission is required to consider in the review of a proposal for a change of organization or reorganization, including, among other things, per capita assessed valuation and the proposal's consistency with city or county	Emergency Preparedness

				general and specific plans This bill would require the commission to consider the assessed valuation rather than per capita assessed valuation.	
AB 2281	Irwin D	Clinical laboratories: licensed medical laboratory technicians.	8/28/2018- Approved by the Governor. Chaptered by Secretary of State - Chapter 235, Statutes of 2018.	Current law provides for the licensure, registration, and regulation of clinical laboratories and various clinical laboratory personnel by the State Department of Public Health. Current law requires a medical laboratory technician to be licensed by the department, sets forth the duties that a licensed medical laboratory technician is authorized to perform, and prohibits a licensed medical laboratory technician from performing microscopic analysis or immunohematology procedures. This bill would exempt from that prohibition blood smear reviews other than manual leukocyte differentials, microscopic urinalysis, and blood typing of moderate complexity such as automated ABO/Rh testing and antibody screen testing. The bill would also repeal an obsolete provision.	Communicable Disease
AB 2291	Chiu D	School safety: bullying.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Would require local educational agencies, as defined, to adopt, on or before December 31, 2019, procedures for preventing acts of bullying, including cyberbullying. By imposing additional	MCAH

				duties on local educational agencies, the bill would impose a state-mandated local program.	
AB 2293	Reyes D	Emergency medical services: report.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	The Emergency Medical Services System and the Prehospital Emergency Medical Care Personnel Act governs local emergency medical services systems, and establishes the Emergency Medical Services Authority (authority), which is responsible for the coordination and integration of all state agencies concerning emergency medical services. The act creates the Commission on Emergency Medical Services (commission) to, among other things, advise the authority on the development of an emergency medical data collection system. This bill would require each local EMS agency and other certifying entities to annually submit to the authority, by July 1 of each year, data on the approval or denial of EMT-I or EMT-II applicants, containing specified information with respect to the preceding calendar year, including, among other things, the number of applicants with a prior criminal conviction who were denied, approved, or approved with restrictions.	Emergency Preparedness, Health Equity
AB 2294	Obernolte R	Child custody proceedings: finding of sexual abuse.	8/20/2018-Enrolled and presented to the Governor at 3 p.m.	The Child Abuse and Neglect Reporting Act requires the Department of Justice to maintain a database of investigations of	MCAH

				known or suspected child abuse or severe neglect, known as the Child Abuse Central Index (CACI). This bill would require a court to request the local child welfare services agency to conduct an investigation of allegations of child abuse, including child sexual abuse, made during a child custody proceeding, when the court determines that it cannot protect the child from future child abuse, either through custody or protective orders. This bill would require the local welfare agency, upon completion of the investigation, to report its findings to the court.	
AB 2299	Chu D	Medi-Cal: managed care plans: informational materials.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Would require the State Department of Health Care Services to ensure that all written health education and informing materials, as defined, in English and those translated into threshold languages by managed care plans or their subcontractors are at or below the equivalent of 6th grade reading level. The bill would require the department to require managed care plans, as defined, or their subcontractors to conduct, by January 1, 2020, a one-time, targeted community review of informing materials in threshold languages for which a 6th-grade reading level	Health Equity

				cannot be determined, in order for members to ensure the cultural and linguistic appropriateness of materials in community-based settings, as specified.	
AB 2302	Baker R	Child abuse: sexual assault: mandated reporters: statute of limitations.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Under current law, mandated reporters are required to report whenever the mandated reporter, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. Failure by a mandated reporter to report an incident of known or reasonably suspected child abuse or neglect is a misdemeanor. This bill would allow a case involving the failure to report an incident known or reasonably suspected by the mandated reporter to be sexual assault, as defined, to be filed at any time within 5 years from the date of occurrence of the offense.	Health Equity, MCAH
AB 2315	Quirk-Silva D	Pupil health: mental and behavioral health services: telehealth technology: guidelines.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Would require the State Department of Education, in consultation with the State Department of Health Care Services and appropriate stakeholders, to, on or before July 1, 2020, develop guidelines, as provided, for the use of telehealth technology in public schools, including	MCAH, Small Jurisdictions

				charter schools, to provide mental health and behavioral health services to pupils on school campuses. The bill would require the State Department of Education to post the guidelines on its Internet Web site on or before July 1, 2020.	
AB 2342	Burke D	Breast and ovarian cancer susceptibility screening.	8/31/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Would require health care service plans, health insurers, and the State Department of Health Care Services to cover breast and ovarian cancer susceptibility screening as recommended by the United States Preventive Services Task Force. By creating a new crime with respect to health care service plans, the bill would impose a state-mandated local program.	Chronic Disease, Health Equity
AB 2360	Rodriguez D	Pupil nutrition: best practices for school districts to create food bank partnerships.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Would require the State Department of Education to collaborate with the Department of Food and Agriculture, including its Office of Farm to Fork, and to consult with the State Department of Public Health and State Department of Social Services, and other entities and experts determined relevant by the department, to develop and promote best practices for school districts to create partnerships with food banks that increase the access of pupils to fresh produce and healthy foods, as specified. The bill would require the State Department of Education and the Office of Farm to Fork to each post, on or before	Chronic Disease

				January 1, 2020, the best practices on its respective Internet Web site.	
AB 2363	Friedman D	Zero Traffic Fatalities Task Force.	8/24/2018-Enrolled and presented to the Governor at 4:30 p.m.	Would require the Secretary of Transportation, on or before July 1, 2019, to establish and convene the Zero Traffic Fatalities Task Force, which shall include, but is not limited to, representatives from the Department of the California Highway Patrol, the University of California and other academic institutions, the Department of Transportation, the State Department of Public Health, local governments, bicycle safety organizations, statewide motorist service membership organizations, transportation advocacy organizations, and labor organizations. The bill would require the task force to develop a structured, coordinated process for early engagement of all parties to develop policies to reduce traffic fatalities to zero.	Chronic Disease
AB 2370	Holden D	Lead exposure: child day care facilities: family day care homes.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	The California Child Day Care Facilities Act requires that, as a condition of licensure and in addition to any other required training, at least one director or teacher at each day care center, and each family day care home licensee who provides care, have at least 15 hours of health and safety training, covering specified components. This bill would require, as a condition of	Environmental Health, MCAH

				licensure for licenses issued on or after July 1, 2020, the health and safety training to include instruction in the prevention of lead exposure as a part of the preventive health practices course or courses component.	
AB 2372	Gloria D	Planning and zoning: density bonus: floor area ratio bonus.	9/6/2018-Enrolled and presented to the Governor at 3 p.m.	Would authorize a city council or county board of supervisors to establish a procedure by ordinance to grant a developer of an eligible housing development, upon the request of the developer, a floor area ratio bonus, calculated as provided, in lieu of a density bonus awarded on the basis of dwelling units per acre. The bill would define "eligible housing development" as a development that meets specified criteria related to residential use or mixed use, location, zoning, replacement of units, and affordability.	Chronic Disease
AB 2380	Aguilar-Curry D	Fire protection: privately contracted private fire prevention resources.	8/31/2018-Read third time. Passed. Ordered to the Assembly. In Assembly. Concurrence in Senate amendments pending. Senate amendments concurred in. To Engrossing and Enrolling.	The FIRESCOPE Act of 1989 requires the Office of Emergency Services to establish and administer a program, known as the FIRESCOPE Program, to maintain and enhance the efficiency and effectiveness of managing multiagency firefighting resources in responding to an incident. This bill would require the office, in collaboration with the Department of Forestry and Fire Protection and the board of directors	Emergency Preparedness

				of the FIREScope Program, to develop standards and regulations for any privately contracted private fire prevention resources operating during an active fire incident in the state, as provided, and to develop regulations to govern the use of equipment used by privately contracted private fire prevention resources during an active fire incident, as provided.	
AB 2384	Arambula D	Medication-assisted treatment.	9/6/2018-Enrolled and presented to the Governor at 3 p.m.	Would, until January 1, 2024, require a health insurer or a health care service plan, not including a Medi-Cal managed care plan, to cover, at a minimum, at least one version of each specified medication-assisted treatment, relapse prevention, and overdose reversal prescription drug approved by the United States Food and Drug Administration for opioid use disorder. The bill would provide that at least one version of each medication-assisted treatment, relapse prevention, and overdose reversal prescription drug is not subject to specified requirements of a health care service plan or policy of health insurance, including prior authorization and an annual or lifetime dollar limit, as specified.	Small Jurisdictions
AB 2397	Obernolte R	Health and human services: information sharing: administrative actions.	9/7/2018-Vetoed by Governor.	In order to protect the health and safety of persons receiving care or services from individuals or facilities licensed by the state or from	Health Information and Data

				<p>individuals certified or approved by a foster family agency, authorizes the California Department of Aging, the State Department of Public Health, the State Department of Health Care Services, the State Department of Social Services, and the Emergency Medical Services Authority to share information with respect to applicants, licensees, certificate holders, or individuals who have been the subject of any administrative action, as defined, resulting in one of specified actions, including, among others, the denial of a license, permit, or certificate of approval. Existing law also authorizes, for the same purpose, the State Department of Social Services and county child welfare agencies to share those same types of information. This bill would instead require the above-described agencies to share the information relating to administrative actions under the 2 respective provisions.</p>	
AB 2428	Gonzalez Fletcher D	Federally qualified health centers: rural health clinics.	8/31/2018-Read third time. Passed. Ordered to the Assembly. In Assembly. Concurrence in Senate amendments pending. Senate amendments concurred in. To Engrossing and Enrolling.	Current law requires a provider that is not currently enrolled at a location where the provider intends to provide services, goods, supplies, or merchandise to a Medi-Cal beneficiary, to submit a complete application package for enrollment at a new location or a change in location. Current law	Small Jurisdictions

				<p>exempts an applicant or a provider that meets specified requirements and is operated by a licensed primary care clinic, including an affiliated mobile health care unit, from this requirement and from a requirement to enroll in the Medi-Cal program as a separate provider, if the licensed primary care clinic operating the applicant, provider clinic, or mobile health care unit notifies the department of its separate locations, premises, or mobile health care units. This bill would exempt a primary care clinic with an additional physical plant added to its primary care clinic license from the requirement to separately enroll the additional physical plant as a separate provider and from the requirement to submit a complete application package, as described above, if the primary care clinic has notified the department of its additional physical plant.</p>	
AB 2447	Reyes D	California Environmental Quality Act: land use: environmental justice.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Would, except as provided, require a lead agency that is preparing an EIR or a negative declaration to provide certain notices required by CEQA to owners and occupants of property located within 1/2 mile of any parcel or parcels, and to any schools located within one mile of any parcel or parcels, on which is located a project involving an	Chronic Disease, Health Equity

				industrial or equivalent land use, as defined, within a disadvantaged community or within 1/2 mile of a disadvantaged community.	
AB 2448	Gipson D	Juveniles: rights: computing technology.	9/7/2018-Enrolled and presented to the Governor at 2:30 p.m.	Would require a minor detained in or committed to a juvenile hall or juvenile ranch, camp, or forestry camp, to be provided with access to computer technology and the Internet for the purposes of education, and would allow him or her to be provided with access to computer technology and the Internet for the purpose of maintaining relationships with family. The bill would specify that these provisions do not limit the authority of the chief probation officer, or his or her designee, to limit or deny access to computer technology or the Internet for safety and security or staffing reasons.	Health Equity, MCAH
AB 2453	Garcia, Eduardo D	Air pollution: schools.	9/7/2018-Enrolled and presented to the Governor at 2:30 p.m.	The Leroy F. Greene School Facilities Act of 1998 requires the State Allocation Board to allocate to applicant school districts prescribed per-unhoused-pupil state funding for the construction and modernization of school facilities, including hardship funding, and supplemental funding for site development and acquisition. This bill would authorize a grant for modernization under the act to be used to limit pupil exposure to harmful air	MCAH

				pollutants by updating air filtration systems and would specify that this is declaratory of existing law.	
AB 2474	Quirk D	Hazardous waste: identification: testing.	9/7/2018-Enrolled and presented to the Governor at 2:30 p.m.	Current law requires the Department of Toxic Substances Control to develop and adopt by regulation criteria and guidelines for the identification of hazardous wastes and extremely hazardous wastes. Current regulations adopted pursuant to that provision provide that a waste exhibits the characteristic of toxicity if representative samples of the waste have any of specified properties, including, among others, that a concentration of the waste of less than 500 milligrams per liter in soft water results in a 50% mortality rate of specified fish species after 96 hours of exposure, pursuant to specified procedures. This bill would authorize the department, to the extent that funds are available for this purpose, to evaluate any of specified tests to determine whether the tests can be adapted to be appropriate for use in identifying substances as hazardous waste or extremely hazardous waste, consistent with the requirements of the hazardous waste control laws.	Environmental Health
AB 2485	Chau D	Code enforcement: financially interested parties.	9/5/2018-Approved by the Governor. Chaptered by Secretary of State - Chapter 263,	Would prohibit a local official, as defined, who inspects a commercial	Environmental Health

			Statutes of 2018.	property or business for compliance with a state statute or regulation or local ordinance from being accompanied during the inspection by a person with a potential financial interest in the outcome of the inspection, as defined, unless the person is the owner of the property or business, is the agent or representative of the owner, is a person who has, or operates under, a specified existing contract with the local government who has been directed by a local official to perform services at the property or business, or is a contractor or consultant, or a designated representative of a contractor or consultant, that is on a publicly available list of qualified bidders that may provide inspection, abatement, or remediation services to, and receive compensation for those services from, the local government, as specified.	
AB 2487	McCarty D	Physicians and surgeons: continuing education: opiate-dependent patient treatment and management.	9/7/2018-Approved by the Governor. Chaptered by Secretary of State - Chapter 301, Statutes of 2018.	Would authorize a physician and surgeon to complete a one-time continuing education course on opiate-dependent patient treatment and management, as specified, as an alternative to the mandatory continuing education course on pain management and	Chronic Disease, Small Jurisdictions

				the treatment of terminally ill and dying patients.	
AB 2490	Chiu D	Vital records: homeless persons.	8/29/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Current law requires each local registrar or county recorder to issue, without a fee, a certified record of live birth to any person who can verify his or her status as a homeless person or a homeless child or youth, as defined. Current law requires a homeless service provider, as described, to verify the person's status as homeless for purposes of these provisions. This bill would further require the State Registrar to issue, without a fee, up to 3 copies a year of a certified record of live birth to a person who can verify his or her status as a homeless person or a homeless child or youth under the provisions described above, and would authorize the State Registrar to provide additional copies at his or her discretion.	Health Information and Data
AB 2501	Chu D	Drinking water: state administrators: consolidation and extension of service.	8/31/2018-Re-referred to Com. on E.S. & T.M. pursuant to Assembly Rule 77.2. Joint Rule 62(a), file notice suspended. From committee: That the Senate amendments be concurred in. (Ayes 6. Noes 1.) (August 31). Senate amendments concurred in. To Engrossing and Enrolling.	The California Safe Drinking Water Act requires the State Water Resources Control Board, before ordering consolidation or extension of service, to fulfill certain requirements, including, among other things, to hold a public meeting, and to establish a reasonable deadline, as prescribed, for a potentially receiving water system and a potentially subsumed water system to	Environmental Health

				negotiate consolidation or another means of providing an adequate supply of affordable, safe drinking water. The act requires the state board to conduct a public hearing at the expiration of the reasonable deadline, as specified. This bill would revise and recast these provisions.	
AB 2504	Low D	Peace officer training: sexual orientation and gender identity.	8/28/2018-Enrolled and presented to the Governor at 3 p.m.	Would require the Commission on Peace Officer Standards and Training to develop and implement a course of training regarding sexual orientation and gender identity minority groups in this state. The bill would require the course to be incorporated into the course or courses of basic training for law enforcement officers and dispatchers and would require the course or courses to include specified topics, including the terminology used to identify and describe sexual orientation and gender identity and how to create an inclusive workplace within law enforcement for sexual orientation and gender identity minorities.	Health Equity
AB 2507	Jones-Sawyer D	County jails: infant and toddler breast milk feeding policy.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Would require, on or before January 1, 2020, a county sheriff or the administrator of a county jail to develop and implement an infant and toddler breast milk feeding policy for lactating inmates detained in or sentenced to a county jail that is based on currently	Chronic Disease, Health Equity, MCAH

				accepted best practices. The bill would require the policy to include provisions for, among other things, procedures for providing medically appropriate support and care related to the cessation of lactation or weaning and for conditioning an inmate's participation in the program upon the inmate undergoing drug screening.	
AB 2511	Chau D	The Parent's Accountability and Child Protection Act.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Current law prohibits an operator of an Internet Web site, online service, online application, or mobile application, as specified, from marketing or advertising specified types of products or services to a minor. Current law also makes it unlawful for any person to sell specified products or services to a minor or requires permission from a parent or legal guardian in order to sell to a minor. Under existing law, generally a minor may make a contract in the same manner as an adult. This bill, commencing on January 1, 2020, would require a person or business that conducts business in California and that seeks to sell specified products or services, to take reasonable steps, as specified, to ensure that the purchaser is of legal age at the time of purchase or delivery, including, but not limited to,	MCAH

				verifying the age of the purchaser.	
AB 2524	Wood D	California Retail Food Code.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Current law defines "food facility" as an operation that stores, prepares, packages, serves, vends, or otherwise provides food for human consumption at the retail level, as specified. Existing law defines "limited food preparation" for the purposes of the code. This bill would include a catering operation and a host facility within the definition of a food facility. The bill would define "catering operation" as a food service that is conducted by a permanent food facility approved for food preparation where food is served, or limited food preparation is conducted, at a location other than its permitted location, whether as part of a contracted offsite food service event or when operating in conjunction with a host facility with direct food sales.	Environmental Health
AB 2534	Limón D	Public resources: environmental education: grant program: Hollister Ranch.	8/30/2018-Read third time. Passed. Ordered to the Assembly. In Assembly. Concurrence in Senate amendments pending. Assembly Rule 63 suspended. Senate amendments concurred in. To Engrossing and Enrolling.	Would require the Director of Parks and Recreation to establish the Outdoor Equity Grants Program, to increase the ability of underserved and at-risk populations to participate in outdoor environmental educational experiences at state parks and other public lands where outdoor environmental education programs take place. The bill would require the director to, among other things, give priority for funding to outdoor environmental	Chronic Disease, Health Equity

				education programs that primarily provide outreach to and serve students who are eligible for free or reduced-price meals, foster youth, or pupils of limited English proficiency, as provided.	
AB 2541	Salas D	Safe Drinking Water State Revolving Fund: project financing: severely disadvantaged communities.	8/27/2018- Approved by the Governor. Chaptered by Secretary of State - Chapter 217, Statutes of 2018.	Current law authorizes the State Water Resources Control Board, to the extent permitted by federal law, to provide grant funding, and principal forgiveness and 0% financing on loans, from the Safe Drinking Water State Revolving Fund to a project for a water system with a service area that qualifies as a severely disadvantaged community if the water system demonstrates that repaying a Safe Drinking Water State Revolving Fund loan with interest would result in unaffordable water rates, as defined. This bill would instead authorize the board, to the extent permitted by federal law, to provide up to 100% grant funding, and principal forgiveness and 0% financing on loans, from the Safe Drinking Water State Revolving Fund to a project for a water system that serves a severely disadvantaged community.	Health Equity
AB 2551	Wood D	Forestry and fire prevention: joint prescribed burning operations: watersheds.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Current law authorizes the director of the Department of Forestry and Fire Protection to enter into an agreement with an eligible	Emergency Preparedness, Small Jurisdictions

				landowner pursuant to which the landowner will undertake forest resource improvement work in return for an agreement by the director to share the cost of carrying out that work. Current law authorizes the director to make various types of loans, including loans to cover all or part of the landowner's cost for the work. Current law requires these loans to be made for a term not exceeding 20 years and bearing interest at the prevailing rate. This bill would instead authorize the director to enter into those agreements with small nonindustrial landowners, as defined.	
AB 2576	Aguiar-Curry D	Emergencies: health care.	9/7/2018-Enrolled and presented to the Governor at 2:30 p.m.	Would authorize the Governor, during a state of emergency, to direct all state agencies to utilize, employ, and direct state personnel, equipment, and facilities for the performance of any and all activities that are designed to allow community clinics and health centers to provide and receive reimbursement for services provided during or immediately following the emergency. The bill would authorize any agency directed by the Governor to perform those activities to expend any of the moneys that have been appropriated to it in order to perform those activities,	Emergency Preparedness

				irrespective of the particular purpose for which the moneys were originally appropriated.	
AB 2588	Chu D	Manufactured housing.	8/24/2018-Enrolled and presented to the Governor at 4:30 p.m.	Would require all used manufactured homes, used mobilehomes, and used multifamily manufactured homes that are sold or rented to have a smoke alarm that has been approved and listed by the Office of the State Fire Marshal on or after January 1, 2014. By expanding the scope of a crime, this bill would impose a state-mandated local program.	Chronic Disease, Health Equity
AB 2595	Obernolte R	Wards: confinement.	8/24/2018-Enrolled and presented to the Governor at 4:30 p.m.	Current law prohibits a ward committed to the Department of Corrections and Rehabilitation, Division of Juvenile Facilities from being held in physical confinement for a period of time in excess of the maximum period of imprisonment that could be imposed upon an adult convicted of the offense that brought or continued the minor under the jurisdiction of the juvenile court, or in excess of the maximum term of physical confinement set by the court, as specified. Current law states that those provisions do not limit the power of the Board of Juvenile Hearings to retain the ward on parole status for the period permitted by specified provisions governing discharge of the person from the division. This bill	MCAH

				would state that those limitations on the length of the physical confinement of a ward do not limit the power of the Board of Juvenile Hearings to discharge specified wards.	
AB 2599	Holden D	Criminal records.	9/7/2018-Enrolled and presented to the Governor at 2:30 p.m.	Current law authorizes a person who has suffered an arrest that did not result in conviction to petition the court to have his or her arrest and related records sealed. Current law requires the Judicial Council to furnish forms to be utilized by a person applying to have his or her arrest sealed. This bill would require a facility at which an arrestee is detained to, at the request of the arrestee upon release, provide the forms described above to the arrestee. The bill would additionally require a facility at which an arrestee is detained to post a sign that contains a specified notice regarding the sealing of arrests.	Health Equity
AB 2602	McCarty D	Homeless youth emergency service projects.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Would establish an additional homeless youth emergency service project in the County of Sacramento. The bill would require the office to prepare and disseminate a request for proposal for the grantee by June 1, 2019, and would require the office to enter into a grant award agreement and the operation of the project to begin by October 1, 2019.	Chronic Disease, MCAH
AB 2614	Carrillo D	Outdoor	9/7/2018-Enrolled	Would require the	MCAH

		experiences: community access program: grant program.	and presented to the Governor at 2:30 p.m.	Natural Resources Agency to develop and implement a community access program focused on engagement programs, technical assistance, or facilities that maximize safe and equitable physical admittance, especially for low-income and disadvantaged communities, to natural or cultural resources, community education programs, or recreational amenities. The bill would authorize the agency to develop a grant program for innovative transportation projects that provide disadvantaged and low-income youth with access to outdoor experiences, as specified.	
AB 2615	Carrillo D	State highway system: parks and recreation: accessibility for bicycles and pedestrians.	9/7/2018-Enrolled and presented to the Governor at 2:30 p.m.	Would, to the extent possible, and where feasible and cost effective, require the Department of Transportation to partner with appropriate public agencies, including, but not limited to, the Department of Parks and Recreation, any federal department or agency, and any regional or local public entity, to develop strategies and plans to improve access for bicycles and pedestrians to federal, state, regional, and local parks adjacent to or connected to the state highway system.	Chronic Disease
AB 2622	Dahle R	After School Education and Safety Program.	9/5/2018-Approved by the Governor. Chaptered by Secretary of State -	Current law prohibits an after school program established	MCAH

			Chapter 265, Statutes of 2018.	pursuant to the After School Education and Safety Program Act of 2002 located off school grounds from being approved unless safe transportation is provided to the pupils enrolled in the program. Current law authorizes additional funding to be provided for transportation, as specified, if a program is operated at a schoolsite located in an area that has a population density of less than 11 persons per square mile. This bill would authorize a program that operates at a schoolsite located in an area with the above-specified low population density to end operating hours not earlier than 5 p.m.	
AB 2639	Berman D	Pupil suicide prevention policies: reviews: updates.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Would require the governing board or body of a local educational agency that serves pupils in grades 7 to 12, inclusive, to review, at minimum every 5th year, its policy on pupil suicide prevention and, if necessary, update its policy. By imposing additional duties on local educational agencies, the bill would impose a state-mandated local program.	MCAH
AB 2657	Weber D	Pupil discipline: restraint and seclusion.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Would authorize an educational provider, as defined, to use behavioral restraints, which includes physical and mechanical restraints, or seclusion, as defined, only to control behavior that poses a clear and present danger	MCAH

				of serious physical harm to the pupil or others that cannot be immediately prevented by a response that is less restrictive, and if other specified conditions are met. The bill would prohibit an educational provider from using a behavioral restraint or seclusion in certain circumstances, including, but not limited to, using seclusion or a behavioral restraint for the purpose of coercion, discipline, convenience, or retaliation, and would prohibit the use of certain restraint and seclusion techniques.	
AB 2679	O'Donnell D	Health facilities: linen laundry.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Would, on or before January 1, 2020, require each general acute care hospital and acute psychiatric hospital, including those facilities that use a medical laundry service provider, to adopt and implement a linen laundry processing policy that is consistent and in accordance with the most recent infection control guidelines and standards developed by the federal Centers for Disease Control and Prevention and the federal Centers for Medicare and Medicaid Services.	Environmental Health
AB 2681	Nazarian D	Seismic safety: potentially vulnerable buildings.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Current law establishes a program within all cities and all counties and portions thereof located within seismic zone 4, as defined, to identify all potentially hazardous buildings and to establish a	Emergency Preparedness

				<p>mitigation program for these buildings. The mitigation program may include, among other things, the adoption by ordinance of a hazardous buildings program, measures to strengthen buildings, and the application of structural standards necessary to provide for life safety above current code requirements. This bill would, upon the identification of funding by the Office of Emergency Services, require the building department of a city or county that meets specified requirements to create an inventory of potentially vulnerable buildings, as defined, within its jurisdiction, based on age and other publicly available information, and submit that inventory to the office, as specified.</p>	
AB 2685	Lackey R	Driving privilege: minors.	9/7/2018-Enrolled and presented to the Governor at 2:30 p.m.	<p>Current law authorizes the juvenile court to suspend or order a delay in the issuance of the driving privilege, for one year, of a minor who is an habitual truant, as defined, or who is adjudged to be a ward of the court, as prescribed. Current law requires the juvenile court, when determining whether to suspend or delay a minor's driving privilege, to consider whether a personal or family hardship exists that requires the minor to have a driver's license for his or</p>	MCAH

				her own, or a member of his or her family's, employment or for medically related purposes. This bill would repeal those provisions, and would provide that any court order to suspend, restrict, or delay a minor's driving privilege issued pursuant to those provisions prior to January 1, 2019, shall remain in full effect, as specified.	
AB 2691	Jones-Sawyer D	Pupil health: pupil and school staff trauma: Trauma-Informed Schools Initiative.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Would establish within the State Department of Education the Trauma-Informed Schools Initiative to address the impact of adverse childhood experiences on the educational outcomes of California pupils. The bill would require the department, if it determines appropriate funding is available, to take specified actions, on or before December 31, 2020, to implement the initiative, including developing and posting online an Internet Web site with information regarding the trauma-informed care approach, as defined, and a guide created by the department for public schools, including charter schools, on how to become trauma-informed schools, as defined.	MCAH
AB 2698	Rubio D	California state preschool programs: general child care and development programs: mental health consultation services: adjustment factors.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Current law, under the Child Care and Delvelopment Services Act, provides for an adjustment factor to be applied to units of average daily enrollment if a provider agency	MCAH

				<p>serves children who meet specified criteria. This bill would require the application of an adjustment factor of 1.05 for children who are served in a California state preschool program, infants and toddlers who are 0 to 36 months of age and are served in general child care and development programs, or children who are 0 to 5 years of age and are served in a family child care home education network setting funded by a general child care and development program, where early childhood mental health consultation services, as defined, are provided, pursuant to specified requirements.</p>	
AB 2720	Waldron R	Juveniles: juvenile reentry.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	<p>Would expand the use of Juvenile Reentry Grant Special Account funds to allow counties to use any unexpended Juvenile Reentry Grant allocation to provide rehabilitative services for reentry youth who have been discharged from the jurisdiction of the juvenile court within the prior 2 years. By expanding the use of continuously appropriated funds, this bill would make an appropriation.</p>	Health Equity, MCAH
AB 2760	Wood D	Prescription drugs: prescribers: naloxone hydrochloride and other FDA-approved drugs.	8/29/2018-Enrolled and presented to the Governor at 4 p.m.	<p>Would require a prescriber, as defined, to offer a prescription for naloxone hydrochloride or another drug approved by the United States Food and Drug Administration for the complete or</p>	Small Jurisdictions

				partial reversal of opioid depression to a patient when certain conditions are present and to provide education on overdose prevention and the use of naloxone hydrochloride or another drug to the patient and specified others, except as specified. The bill would subject a prescriber to referral to the Medical Board of California charged with regulating his or her license for the imposition of administrative sanctions, as that board deems appropriate, for violating those provisions.	
AB 2789	Wood D	Health care practitioners: prescriptions: electronic data transmission.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Current law provides for the regulation of health care practitioners and requires prescription drugs to be ordered and dispensed in accordance with the Pharmacy Law. The Pharmacy Law provides that a prescription is an oral, written, or electronic data transmission order and requires electronic data transmission prescriptions to be transmitted and processed in accordance with specified requirements. This bill, on and after January 1, 2022, would require health care practitioners authorized to issue prescriptions to have the capability to transmit electronic data transmission prescriptions, and would require pharmacies to have the capability to receive those transmissions.	Health Information and Data

AB 2816	Muratsuchi D	Pesticides: schoolsites: report.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Current law requires the Department of Pesticide Regulation to establish an integrated pest management training program in order to facilitate the adoption of a model integrated pest management program and least-hazardous pest control practices by schoolsites and requires certain persons who, in the course of their work, intend to apply a pesticide at a schoolsite to annually complete a training course provided by that department. This bill would require the department to submit a report to the Legislature on or before January 1, 2021, that evaluates the implementation, and the effect of the implementation, of the Healthy Schools Act of 2000 and that provides recommendations on improving the implementation and efficacy of the Healthy Schools Act of 2000.	Emergency Preparedness, Environmental Health, MCAH
AB 2821	Mayes R	Integrated and comprehensive health and human services system.	8/27/2018-Enrolled and presented to the Governor at 3 p.m.	Current law authorizes the County of San Diego, upon approval of the county board of supervisors, to operate an integrated and comprehensive county health and human services system that includes, among other services, child welfare services and mental health services, as specified, and requires the California Health and Human Services Agency to grant approval if	Public Health

				the county furnishes a certified copy of a current ordinance or resolution authorizing that system in that county. This bill would similarly authorize any other county to operate an integrated and comprehensive county health and human services system.	
AB 2861	Salas D	Medi-Cal: telehealth: alcohol and drug use treatment.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Would, to the extent federal financial participation is available and any necessary federal approvals have been obtained, require that a Drug Medi-Cal certified provider receive reimbursement for individual counseling services provided through telehealth by a licensed practitioner of the healing arts or a registered or certified alcohol or other drug counselor, when medically necessary and in accordance with the Medicaid state plan.	Small Jurisdictions
AB 2898	Gloria D	Emergency services: local emergencies.	8/27/2018-Enrolled and presented to the Governor at 3 p.m.	The California Emergency Services Act prescribes a process for the declaration of a local emergency and permits a local emergency to be proclaimed only by the governing body of a city or county or by an official designated by ordinance adopted by that governing body. Current law requires the governing body to review the need for continuing the local emergency at least once every 30 days until the governing body terminates the local emergency. This bill would instead	Emergency Preparedness

				require review of a local emergency by the governing body, as described above, to occur at least once every 60 days	
AB 2899	Rubio D	Cannabis: advertisements.	8/29/2018-Senate amendments concurred in. To Engrossing and Enrolling.	MAUCRSA authorizes a licensee to advertise and market cannabis and cannabis products subject to specified restrictions, including accurately and legibly identifying the licensee responsible for that content by adding, at a minimum, the licensee's license number, and prohibits a licensee from, among other things, advertising or marketing in a manner that is false or untrue. Under MAUCRSA, each licensing authority is authorized to suspend or revoke a licensee's license for failure to comply with these provisions, among other things. This bill would prohibit a licensee from publishing or disseminating advertisements or marketing of cannabis and cannabis products while the licensee's license is suspended.	Public Health
AB 2911	Friedman D	Fire safety.	8/31/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Current law authorizes a local agency, at its discretion, to exclude from specified requirements governing fire risk reduction an area identified as a very high fire hazard severity zone by the director within the jurisdiction of the local agency, following a specified finding supported by substantial	Emergency Preparedness

				evidence that those requirements are not necessary for effective fire protection within the area. This bill would eliminate the above-described exemption and exclusion and would require a local agency to transmit a copy of any ordinance adopted pursuant to these provisions to the State Board of Forestry and Fire Protection within 30 days of adoption. By imposing new responsibilities on local agencies with regard to the adoption of fire safety ordinances, the bill would impose a state-mandated local program.	
AB 2915	Caballero D	Workforce development boards: mutual disaster aid assistance: memorandum of understanding.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Would require, by July 1, 2020, the California Workforce Development Board to develop, in conjunction with the Employment Development Department and with input from local workforce development boards, a policy regarding mutual aid agreements between and among local workforce development boards to enable them to effectively respond to disasters and that is consistent with applicable state and federal law.	Emergency Preparedness
AB 2949	Gloria D	Pupil residency: pupils of military families.	8/27/2018-Enrolled and presented to the Governor at 3 p.m.	Would require local educational agencies, as defined, to allow a pupil who is a child of a military family to continue attending his or her school of origin, as defined, or a school within the school district of origin, as provided, regardless of any	MCAH

				change of residence of the military family or the end of military service of the pupil's parent, as specified. By requiring local educational agencies to allow pupils of military families who no longer satisfy the residency requirement to attend their schools of origin, the bill would impose a state-mandated local program.	
AB 2961	O'Donnell D	Emergency medical services.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Would require a local EMS agency to submit quarterly data to the Emergency Medical Services Authority that, among other things, is sufficient for the authority to calculate ambulance patient offload time by local EMS agency jurisdiction and by each facility in a local EMS agency jurisdiction. The bill would require the authority to calculate ambulance patient offload time and report it twice per year to the Commission on Emergency Medical Services. The bill would also require the authority, in collaboration with local EMS agencies, on or before December 1, 2020, to submit a report to the Legislature on ambulance patient offload time and recommendations to reduce or eliminate ambulance patient offload time.	Emergency Preparedness
AB 2963	Kalra D	Worker safety: blood lead levels: reporting.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Current law establishes the Division of Occupational Safety and Health within the Department of Industrial Relations	Environmental Health, Health Information and Data

				and requires the division to, among other things, monitor, analyze, and propose health and safety standards for workers. This bill would require the State Department of Public Health to consider a report from a laboratory of an employee's blood lead level at or above 25 micrograms per deciliter to be injurious to the health of the employee and to report that case within 5 business days to the Division of Occupational Safety and Health.	
AB 2967	Quirk-Silva D	Foster care: certified record of live birth.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Would require each local registrar or county recorder to issue, without a fee, a certified record of live birth to any person who demonstrates that he or she is a youth who has been placed in foster care, as defined. The bill would authorize the youth, or any person who is lawfully entitled to request that record on behalf of a youth placed in foster care, to make that request. The bill would require a county welfare agency that has relevant knowledge regarding the youth to verify that the youth has been placed in foster care for purposes of these provisions.	Health Information and Data
AB 2980	Gipson D	Cannabis: premises: common space.	9/7/2018-Enrolled and presented to the Governor at 2:30 p.m.	MAUCRSA defines premises for the purposes of the Control, Regulate and Tax Adult Use of Marijuana Act of 2016 to mean the designated structure or structures and land specified in the	Environmental Health

				application for the license, as provided. This bill would define premises as the area specified in the application wherein the license privileges are, or will be, exercised, as provided. The bill would require that provisions of MAUCRSA not be construed to prohibit two or more licensed premises from sharing common use areas wherein no license privileges will be exercised so long as all licensees comply with the requirements of the act, as specified.	
AB 2989	Flora R	Motorized scooter: use of helmet: maximum speed.	9/7/2018-Enrolled and presented to the Governor at 2:30 p.m.	Would permit a local authority to authorize the operation of a motorized scooter on a highway with a speed limit of up to 35 miles per hour and would additionally allow for operation of a motorized scooter on a highway with a higher speed limit if the motorized scooter is operated within a Class IV bikeway. The bill would specify that the existing maximum 15 mile per hour speed limit for the operation of a motorized scooter applies regardless of a higher speed limit applicable to the highway. The bill would require the operator of a motorized scooter to wear a helmet only if the operator is under 18 years of age.	Chronic Disease
AB 2992	Daly D	Peace officer training: commercial sexual exploitation of children.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Would require the Commission on Peace Officer Standards and Training to develop a course on commercial sexual exploitation of	MCAH

				children (CSEC) and victims of human trafficking. The bill would require the course to include specified topics and components including, among others, recognizing indicators of commercial sexual exploitation, appropriate interviewing techniques, local and state resources available to first responders, and issues of stigma.	
AB 2998	Bloom D	Consumer products: flame retardant materials.	9/7/2018-Enrolled and presented to the Governor at 2:30 p.m.	Would, on and after January 1, 2020, prohibit a person, including a manufacturer, from selling or distributing in commerce in this state new, not previously owned juvenile products, mattresses, or upholstered furniture that contains, or a constituent component of which contains, covered flame retardant chemicals, as defined, at levels above 1,000 parts per million, except as specified, and would prohibit a custom upholsterer from, among other things, repairing upholstered furniture or reupholstered furniture using replacement components that contain covered flame retardant chemicals at levels above 1,000 parts per million, except as specified.	Chronic Disease, MCAH
AB 3032	Frazier D	Maternal mental health conditions.	9/7/2018-Enrolled and presented to the Governor at 2:30 p.m.	Would require a general acute care hospital or special hospital that has a perinatal unit to develop and implement, by January 1, 2020, a program relating to maternal mental	MCAH

				health conditions including, but not limited to, postpartum depression. The bill would require the program to include, among other things, education and information about maternal mental health conditions for women, families, and hospital perinatal unit employees, as specified.	
AB 3067	Chau D	Internet: marketing: minors: cannabis.	8/20/2018-Enrolled and presented to the Governor at 3 p.m.	Would prohibit an operator of an Internet Web site, online service, online application, or mobile application directed to minors, or an advertising service that is notified by an operator that the site, service, or application is directed to minors, from marketing or advertising any cannabis, cannabis product, cannabis business, or cannabis-related instrument or paraphernalia on the Internet Web site, online service, online application, or mobile application.	MCAH
AB 3077	Caballero D	Vehicles: bicycle helmets.	9/7/2018-Enrolled and presented to the Governor at 2:30 p.m.	Would prohibit transmitting a record of the action to the court and imposing a fee upon a citation for not wearing a bicycle helmet, as specified, if the parent or legal guardian of the person in violation of the provision delivers proof to the issuing agency within 120 days after the citation was issued that the person has a helmet meeting the specified requirements and the person has completed a local bicycle safety	Chronic Disease, Health Equity, MCAH

				course or a related safety course, as specified.	
AB 3086	Kiley R	Interdistrict attendance: prohibition on transfers by a school district of residence.	8/29/2018-Enrolled and presented to the Governor at 4 p.m.	Current law authorizes the governing boards of 2 or more school districts to enter into an agreement, for a term not to exceed 5 school years, for the interdistrict attendance of pupils who are residents of the school districts. This bill would also prohibit a school district of residence from prohibiting the transfer of a pupil who is a homeless child or youth or has been a homeless child or youth within the previous 5 school years, a currently migratory child or former migratory child, a foster youth, or a victim of an act of bullying to the school district of proposed enrollment if the school district of proposed enrollment approves the transfer application.	MCAH
AB 3098	Friedman D	Residential care facilities for the elderly: emergency and disaster plans.	9/7/2018-Enrolled and presented to the Governor at 2:30 p.m.	Current law provides for the licensure and regulation of residential care facilities for the elderly by the State Department of Social Services. Current law requires a facility to have an emergency plan that includes specified provisions and is available, upon request, to residents onsite and available to local emergency responders. Current law exempts a facility that has obtained a certificate of authority to offer continuing care contracts from this requirement. A	Emergency Preparedness, Small Jurisdictions

				violation of these provisions is punishable as a misdemeanor. This bill would repeal the above-described provision exempting a facility that has obtained a certificate of authority to offer continuing care contracts from the requirement of having an emergency plan.	
AB 3115	Gipson D	Community Paramedicine or Triage to Alternate Destination Act.	8/31/2018-Read third time. Passed. Ordered to the Assembly. In Assembly. Concurrence in Senate amendments pending. Senate amendments concurred in. To Engrossing and Enrolling.	Current law, the Emergency Medical Services System and the Prehospital Emergency Medical Care Personnel Act, governs local emergency medical services (EMS) systems. The current act establishes the Emergency Medical Services Authority, which is responsible for the coordination and integration of EMS systems. This bill would establish within the act until January 1, 2025, the Community Paramedicine or Triage to Alternate Destination Act of 2018. The bill would authorize a local EMS agency to develop a community paramedicine or triage to alternate destination program, as defined, to provide specified community paramedicine services.	Emergency Preparedness
AB 3120	Gonzalez Fletcher D	Damages: childhood sexual assault: statute of limitations.	8/30/2018-Senate amendments concurred in. To Engrossing and Enrolling.	Would expand the definition of childhood sexual abuse, which would instead be referred to as childhood sexual assault. This bill would increase the time limit for commencing an action for recovery of damages suffered as a result of childhood sexual assault 22 years	MCAH

				from the date the plaintiff attains the age of majority or within 5 years of the date the plaintiff discovers or reasonably should have discovered that the psychological injury or illness occurring after the age of majority was caused by sexual assault, whichever is later.	
AB 3189	Cooper D	Consent by minors to treatment for intimate partner violence.	8/27/2018-Enrolled and presented to the Governor at 3 p.m.	Would authorize a minor who is 12 years of age or older and who states he or she is injured as a result of intimate partner violence, as defined, to consent to medical care related to the diagnosis or treatment of the injury and the collection of medical evidence with regard to the alleged intimate partner violence. The bill would specify that this provision would not apply to a case in which a minor is an alleged victim of rape or is alleged to have been sexually assaulted, in which case the above-described provisions would apply.	MCAH
AB 3232	Friedman D	Zero-emissions buildings and sources of heat energy.	9/5/2018-Enrolled and presented to the Governor at 3 p.m.	Would require the State Energy Resources Conservation and Development Commission, by January 1, 2021, to assess the potential for the state to reduce the emissions of greenhouse gases from the state's residential and commercial building stock by at least 40% below 1990 levels by January 1, 2030. The bill would require the commission to include in the 2021	

				edition of the integrated energy policy report and all subsequent integrated energy policy reports a report on the emissions of greenhouse gases associated with the supply of energy to residential and commercial buildings.	
AB 3252	Committee on Agriculture	Animal health.	9/6/2018-Approved by the Governor. Chaptered by Secretary of State - Chapter 289, Statutes of 2018.	Current law requires any person that has the care or control of any animal that dies from any contagious disease to immediately cremate or bury the animal. Existing law prohibits the transport of any animal that has died from any contagious disease, except as specified. Current law makes it unlawful for any person to knowingly sell, use, expose, or fail to immediately kill any horse, mule, or other animal that has the diseases dourine, glanders, or farcy after the person is notified of the disease by a licensed veterinarian or the Department of Food and Agriculture. This bill would repeal those provisions.	Communicable Disease
ACR 258	Gloria D	Pre-Exposure Prophylaxis and Post-Exposure Prophylaxis Awareness Day.	8/23/2018-Chaptered by Secretary of State-Chapter 171, Statutes of 2018	This measure would designate August 16, 2018, as Pre-Exposure Prophylaxis and Post-Exposure Prophylaxis Awareness Day in California to enhance public awareness of comprehensive human immunodeficiency virus prevention strategies.	Communicable Disease
SB 10	Hertzberg D	Pretrial release or detention: pretrial services.	8/28/2018-Chaptered by Secretary of State-	Current law provides for the procedure of	Health Equity

			Chapter 244, Statutes of 2018	approving and accepting bail, and issuing an order for the appearance and release of an arrested person. Current law requires that bail be set in a fixed amount and requires, in setting, reducing, or denying bail, a judge or magistrate to take into consideration the protection of the public, the seriousness of the offense charged, the previous criminal record of the defendant, and the probability of his or her appearing at trial or at a hearing of the case. This bill would, as of October 1, 2019, repeal existing laws regarding bail and require that any remaining references to bail refer to the procedures specified in the bill.	
SB 100	De León D	California Renewables Portfolio Standard Program: emissions of greenhouse gases.	9/10/2018-Signed by the Governor	The Legislature has found and declared that its intent in implementing the California Renewables Portfolio Standard Program is to attain, among other targets for sale of eligible renewable resources, the target of 50% of total retail sales of electricity by December 31, 2030. This bill would revise the above-described legislative findings and declarations to state that the goal of the program is to achieve that 50% renewable resources target by December 31, 2026, and to achieve a 60% target by December 31, 2030.	Environmental Health
SB 275	Portantino D	Alcohol and drug	8/31/2018-Ordered	The current	MCAH

		treatment: youth.	to special consent calendar. Assembly amendments concurred in. (Ayes 39. Noes 0.) Ordered to engrossing and enrolling.	Adolescent Alcohol and Drug Treatment and Recovery Program Act of 1998, which authorized the State Department of Alcohol and Drug programs to establish community-based nonresidential and residential recovery programs to intervene and treat the problems of alcohol and other drug use among youth, became inoperative on July 1, 2013. This bill would repeal those inoperative provisions and would enact the Children, Adolescents, and Young Adults Substance Use Disorder Treatment Act. The bill would require the department to convene an expert panel on or before January 1, 2020, to advise the department solely on the development of youth substance use disorder (SUD) treatment quality standards, as specified.	
SB 465	Jackson D	Property Assessed Clean Energy Program: wildfire safety improvements.	8/31/2018-Read third time. Passed. Ordered to the Senate. In Senate. Concurrence in Assembly amendments pending. Re-referred to Com. on RLS. pursuant to Senate Rule 29.10(d). From committee: Be re-referred to Com. on GOV. & F. pursuant to Senate Rule 29.10(d). (Ayes 4. Noes 0.) Re-referred to Com. on GOV. & F. From committee: That the Assembly amendments be concurred in. (Ayes 6. Noes 1.)	Would, until January 1, 2029, enact the Wildfire Safety Finance Act, which would expand specified provisions to also authorize a legislative body that has accepted the designation of Very High Fire Hazard Severity Zone to designate an area for contractual assessments to finance the installation of wildfire safety improvements that are permanently fixed to real property, in accordance with	Emergency Preparedness

			Assembly amendments concurred in. (Ayes 25. Noes 12.) Ordered to engrossing and enrolling.	specified procedures and requirements that are similar to requirements that apply to the PACE program under existing law.	
SB 532	Dodd D	Emergency services: state of emergency: cyberterrorism.	8/31/2018-Ordered to special consent calendar. Assembly amendments concurred in. (Ayes 39. Noes 0.) Ordered to engrossing and enrolling.	Current law defines the term "state of emergency" and "local emergency" to mean a duly proclaimed existence of conditions of disaster or of extreme peril to the safety of persons and property within the state caused by, among other things, fire, storm, or riot. This bill would additionally include cyberterrorism within those conditions constituting a state of emergency and a local emergency.	Emergency Preparedness
SB 635	Hueso D	Governor's Office of Business and Economic Development: local economic development liaison services.	8/31/2018-Read third time. Passed. Ordered to the Senate. In Senate. Concurrence in Assembly amendments pending. Assembly amendments concurred in. (Ayes 38. Noes 0.) Ordered to engrossing and enrolling.	Would authorize the Governor's Office of Business and Economic Development to develop content on its Internet Web site or through other mediums to be used for public dissemination, through outreach activities, in order to provide information and resources to inform the general public about place-based and other geographically targeted economic development programs, including, but not limited to, California Promise Zones and California Opportunity Zones, as defined.	Chronic Disease
SB 765	Wiener D	Planning and zoning: housing.	8/31/2018-Read third time. Passed. Ordered to the Senate. In Senate. Concurrence in Assembly amendments pending. Re-	Current law, until January 1, 2026, authorizes a development proponent to submit an application for a multifamily housing	Chronic Disease, Health Equity

			referred to Com. on RLS. pursuant to Senate Rule 29.10(d). From committee: Be re-referred to Com. on T. & H. pursuant to Senate Rule 29.10(d). (Ayes 4. Noes 0.) Re-referred to Com. on T. & H. From committee: That the Assembly amendments be concurred in. (Ayes 10. Noes 2.) Assembly amendments concurred in. (Ayes 27. Noes 10.) Ordered to engrossing and enrolling.	development that is subject to a streamlined, ministerial approval process, as provided, and not subject to a conditional use permit, if the development satisfies specified objective planning standards. Current law requires the objective planning standards to include specified requirements. This bill would modify those provisions by requiring a skilled and trained workforce to be used if the application for the development consists of a specified number of units with a residential component that is not 100% subsidized affordable housing.	
SB 774	Leyva D	Research program: firefighting: wildland and wildland-urban interface.	8/31/2018-Read third time. Passed. Ordered to the Senate. In Senate. Concurrence in Assembly amendments pending. Re-referred to Com. on RLS. pursuant to Senate Rule 29.10(d). From committee: Be re-referred to Com. on APPR. pursuant to Senate Rule 29.10(d). (Ayes 4. Noes 0.) Re-referred to Com. on APPR. From committee: That the Assembly amendments be concurred in. (Ayes 7. Noes 0.) Assembly amendments concurred in. (Ayes 38. Noes 0.) Ordered to engrossing and enrolling.	Would require the Trustees of the California State University to oversee a competitive process to award funds to the Wildland and Urban Interface Wildfire Research Grant Program to one or more campuses of the California State University that can demonstrate an ability to fulfill certain criteria for, among other purposes, conducting research in critical areas of advancement and reform in wildland firefighting and issues vital to the state in the advancement of the understanding of fires in the wildland-urban interface.	Emergency Preparedness
SB 821	Jackson D	Emergency notification: county jurisdictions.	8/31/2018-Read third time. Passed. Ordered to the	Would authorize each county, including a city and	Emergency Preparedness

			Senate. In Senate. Concurrence in Assembly amendments pending. Ordered to special consent calendar. Assembly amendments concurred in. (Ayes 38. Noes 0.) Ordered to engrossing and enrolling.	county, to enter into an agreement to access the contact information of resident account holders through the records of a public utility or other agency responsible for water service, waste and recycling services, or other property-related services for the sole purpose of enrolling county residents in a county-operated public emergency warning system. The bill would require any county that enters into such an agreement to include procedures to enable any resident to opt out of the warning system and a process to terminate the receiving agency's access to the resident's contact information.	
SB 822	Wiener D	Communications: broadband Internet access service.	8/31/2018- Assembly amendments concurred in. (Ayes 27. Noes 12.) Ordered to engrossing and enrolling.	Would enact the California Internet Consumer Protection and Net Neutrality Act of 2018. This act would prohibit fixed and mobile Internet service providers, as defined, that provide broadband Internet access service, as defined, from engaging in specified actions concerning the treatment of Internet traffic. The act would prohibit, among other things, blocking lawful content, applications, services, or nonharmful devices, impairing or degrading lawful Internet traffic on the basis of Internet content, application, or service, or use of a nonharmful device, and specified	Health Equity

				practices relating to zero-rating, as defined.	
SB 824	Lara D	Insurers: declared disaster: homeowners' insurance policies.	9/6/2018-Enrolled and presented to the Governor at 4 p.m.	Would prohibit, subject to certain exceptions, an insurer from canceling or refusing to renew a policy of residential property insurance for one year after the declaration of a state of emergency based solely on the fact that the insured structure is located in an area in which a wildfire has occurred, with respect to an insured property located within or adjacent to the fire perimeter, as specified.	Emergency Preparedness, Health Equity
SB 828	Wiener D	Land use: housing element.	8/30/2018-Assembly amendments concurred in. (Ayes 21. Noes 13.) Ordered to engrossing and enrolling.	Current law requires the appropriate council of governments, or the department for a city and county that does not have a council of governments, to adopt a final regional housing need plan that allocates a share of the regional housing need to each city, county, or city and county in accordance with certain requirements and procedures, including that a specified type of ordinance or policy that limits the number of residential building permits issued by a city or county may not be used as a justification for a determination or reduction in a jurisdiction's share of the regional housing need. This bill would prohibit the prior underproduction of housing in a city or county from the previous cycle and stable population numbers in a city or	Chronic Disease, Health Equity

				county from the previous cycle from being used as a justification for a determination or a reduction in the jurisdiction's share of the regional housing need.	
SB 833	McGuire D	Emergencies: Office of Emergency Services: guidelines: alert and warning systems.	9/5/2018-Enrolled and presented to the Governor at 3:30 p.m.	Would, on or before July 1, 2019, would require OES, in consultation with specified entities, to develop voluntary guidelines for alerting and warning the public of an emergency. The bill would require OES to provide each city, county, and city and county with a copy of the guidelines.	Emergency Preparedness
SB 899	Pan D	Workers' compensation.	8/28/2018-Enrolled and presented to the Governor at 3:30 p.m.	Current law requires a physician who prepares a report addressing the issue of permanent disability due to a claimed industrial injury to address in that report the issue of causation of the permanent disability. This bill would prohibit a physician from using race, gender, or national origin in determining the percentage of permanent disability that was caused by other factors before and subsequent to the industrial injury.	Health Equity
SB 906	Beall D	Mental health services and substance use disorder treatment: peer support specialist certification.	8/31/2018-Read third time. Passed. Ordered to the Senate. In Senate. Concurrence in Assembly amendments pending. Ordered to special consent calendar. Assembly amendments concurred in. (Ayes 38. Noes 0.) Ordered to engrossing and enrolling.	Would require the State Department of Health Care Services to establish, no later than July 1, 2020, a peer support specialist certification to support the ongoing provision of services to individuals experiencing mental health care needs, substance use disorder needs, or both by certified	MCAH

				peer support specialists. The certification components would include, among others, curriculum and core competencies, training and continuing education requirements, a code of ethics, and a process for the investigation of complaints and corrective action.	
SB 918	Wiener D	Homeless Youth Act of 2018.	8/31/2018-Ordered to special consent calendar. Assembly amendments concurred in. (Ayes 39. Noes 0.) Ordered to engrossing and enrolling.	Current law establishes various programs, including, among others, the Emergency Housing and Assistance Program, homeless youth emergency service pilot projects, and Housing First and the Homeless Coordinating and Financing Council, to provide assistance to homeless persons. Current law establishes the council to oversee the implementation of the Housing First guidelines and regulations, and, among other things, identify resources, benefits, and services that can be accessed to prevent and end homelessness in California. This bill would require the council to assume additional responsibilities, including setting specific, measurable goals aimed at preventing and ending homelessness among youth in the state and defining outcome measures and gathering data related to those goals.	Health Equity
SB 937	Wiener D	Lactation accommodation.	9/6/2018-Enrolled and presented to the Governor at 4	Would require an employer to provide a lactation room or	Environmental Health, MCAH

			p.m.	location that includes prescribed features and would require an employer, among other things, to provide access to a sink and refrigerator in close proximity to the employee's workspace, as specified. The bill would require an employer to develop and implement a policy regarding lactation accommodation and make it available to employees, as specified. The bill would also require an employer to maintain records of requests for lactation accommodation for 3 years and to give the Labor Commission access to those records.	
SB 946	Lara D	Sidewalk vendors.	8/28/2018-Enrolled and presented to the Governor at 3:30 p.m.	Would prohibit a local authority, as defined, from regulating sidewalk vendors, except in accordance with the provisions of the bill. The bill would provide that a local authority is not required to adopt a new program to regulate sidewalk vendors if the local authority has established an existing program that substantially complies with the provisions of the bill. The bill would apply these provisions to a chartered or general law city, county, or city and county.	Environmental Health
SB 966	Wiener D	Onsite treated nonpotable water systems.	8/30/2018-Ordered to special consent calendar. Assembly amendments concurred in. (Ayes 39. Noes 0.) Ordered to engrossing and enrolling.	Would, on or before December 1, 2022, require the State Water Resources Control Board, in consultation with the California Building Standards Commission and the Department of	Environmental Health

				Housing and Community Development, to adopt regulations for risk-based water quality standards for the onsite treatment and reuse of nonpotable water, as provided. The bill would authorize the state board to contract with public or private entities regarding the content of the standards.	
SB 988	Galgiani D	Home inspectors.	8/27/2018- Approved by the Governor. Chaptered by Secretary of State. Chapter 225, Statutes of 2018.	Current law regulates a person who performs certain home inspections for a fee in connection with a transfer of real property. Current law provides that it is the duty of a home inspector who is not licensed as a general contractor, structural pest control operator, or architect, or registered as a professional engineer to conduct a home inspection with the degree of care that a reasonably prudent home inspector would exercise. Under this bill, if a home inspector observes any shade of yellow corrugated stainless steel tubing, as defined, during a home inspection, the home inspector would be required to include that observation and a specified notification in the home inspection report.	Environmental Health
SB 998	Dodd D	Discontinuation of residential water service: urban and community water systems.	9/6/2018-Enrolled and presented to the Governor at 4 p.m.	Would require an urban and community water system, defined as a public water system that supplies water to more than 200 service	Environmental Health, Health Equity

				connections, to have a written policy on discontinuation of water service to certain types of residences for nonpayment available in prescribed languages. The bill would require the policy to include certain components, be available on the system's Internet Web site, and be provided to customers in writing, upon request.	
SB 1004	Wiener D	Mental Health Services Act: prevention and early intervention.	8/31/2018-In Senate. Concurrence in Assembly amendments pending. Ordered to special consent calendar. Assembly amendments concurred in. (Ayes 38. Noes 0.) Ordered to engrossing and enrolling.	Would require the Mental Health Services Oversight and Accountability Commission, on or before January 1, 2020, to establish priorities for the use of prevention and early intervention funds and to develop a statewide strategy for monitoring implementation of prevention and early intervention services, including enhancing public understanding of prevention and early intervention and creating metrics for assessing the effectiveness of how prevention and early intervention funds are used and the outcomes that are achieved. The bill would require the commission to establish a strategy for technical assistance, support, and evaluation to support the successful implementation of the objectives, metrics, data collection, and reporting strategy.	MCAH
SB 1019	Beall D	Youth mental health and substance use	9/5/2018-Enrolled and presented to	Current law provides that funds	MCAH, Small Jurisdictions

		disorder services.	the Governor at 3:30 p.m.	appropriated by the Legislature to the California Health Facilities Financing Authority and the Mental Health Services Oversight and Accountability Commission for the purposes of the Mental Health Wellness Act of 2013 be made available to selected counties or counties acting jointly, except as otherwise provided, and used to provide, among other things, a complete continuum of crisis services for children and youth 21 years of age and under regardless of where they live in the state. This bill would require the commission, when making these funds available on and after July 1, 2021, to allocate at least 1/2 of those funds to local educational agency and mental health partnerships, as specified.	
SB 1035	Jackson D	General plans.	9/5/2018-Enrolled and presented to the Governor at 3:30 p.m.	Current law requires, after the initial revision of a safety element in a general plan of a city or county, to identify flood hazards and address the risk of fire in certain lands upon each revision of the housing element, the planning agency to review and, if necessary, revise the safety element to identify new information relating to flood and fire hazards that was not previously available during the previous revision of the safety element. This bill would require the safety element to be reviewed and	Emergency Preparedness

				revised as necessary to address climate adaption and resiliency strategies and would require, after these revisions, the planning agency to review and, if necessary, revise the safety element upon each revision of the housing element or local hazard mitigation plan, but not less than once every 8 years, to identify new information relating to flood and fire hazards and climate adaptation and resiliency strategies applicable to the city or county that was not available during the previous revision of the safety element.	
SB 1039	Pan D	Market milk: ultra-filtered milk products.	8/22/2018-Enrolled and presented to the Governor at 3:30 p.m.	Would define "ultra-filtered milk products" and would authorize the secretary to establish milk standards for ultra-filtered milk products sold in California. The bill would require ultra-filtered milk products to meet all standards and requirements for market milk, except as provided, and would require ultra-filtered milk products to be labeled in accordance with applicable federal laws. The bill would require that the term "ultra-filtered" be included in the product name on the product label. By expanding the scope of a crime, this bill would create a state-mandated local program.	Environmental Health, MCAH
SB 1040	Dodd D	In-home supportive services: natural disaster.	8/24/2018-Enrolled and presented to the Governor at 4 p.m.	The California Emergency Services Act authorizes the Governor to declare	Emergency Preparedness

				a state of emergency under specified conditions and requires a county, including a city and county, to update its emergency plan to address, among other things, how the access and functional needs population, as defined, is served by emergency communications, evacuation, and sheltering. This bill would require a county to use a void and reissue warrant process for any provider who lost or had damaged an uncashed warrant because of a natural disaster resulting in a state of emergency. The bill would require a county, including a city and county, at the next update to its emergency plan, to integrate and require the assessment and provision of supportive services to IHSS recipients.	
SB 1041	Leyva D	Childhood lead poisoning prevention.	8/30/2018-Ordered to special consent calendar. Assembly amendments concurred in. (Ayes 39. Noes 0.) Ordered to engrossing and enrolling.	Would make it a goal of the state that all children at risk of lead exposure receive blood lead screening tests, and would require the State Department of Public Health to take action, and to require local agencies to take action, necessary to ensure these goals are met. By requiring local agencies to take action to meet these goals, this bill would impose a state-mandated local program.	Environmental Health, MCAH
SB 1045	Wiener D	Conservatorship: serious mental illness and substance use disorders.	8/30/2018-Assembly amendments concurred in. (Ayes 39. Noes 0.)	Would establish a procedure, for the County of Los Angeles, the County of San	Chronic Disease, Health Equity

			Ordered to engrossing and enrolling.	Diego, and the City and County of San Francisco, if the board of supervisors of the respective county or city and county authorizes the application of these provisions subject to specified requirements, for the appointment of a conservator for a person who is incapable of caring for the person's own health and well-being due to a serious mental illness and substance use disorder, as specified, for the purpose of providing the least restrictive and most clinically appropriate alternative needed for the protection of the person.	
SB 1076	Hertzberg D	Emergency preparedness: electrical utilities: electromagnetic pulse attacks and geomagnetic storm events.	8/30/2018-Enrolled and presented to the Governor at 5 p.m.	Would require the Office of Emergency Services to include an evaluation of risks from an electromagnetic pulse attack, a geomagnetic storm event, and from other potential causes of a long-term electrical outage in the next update of the State Hazard Mitigation Plan undertaken to comply with the federal requirements. As necessary, based on that analysis, the bill would require the plan to identify cost-effective and feasible measures to lessen risks from those hazards, including hardening the critical infrastructure of electrical utilities.	Emergency Preparedness
SB 1079	Monning D	Forest resources: fire prevention grants: advance payments.	8/28/2018-Enrolled and presented to the Governor at 3:30 p.m.	Current law authorizes the Director of Forestry and Fire Protection to provide grants to entities, including,	Emergency Preparedness

				<p>but not limited to, private or nongovernmental entities, Native American tribes, or local, state, and federal public agencies, for the implementation and administration of projects and programs to improve forest health and reduce greenhouse gas emissions. The Budget Act of 2017 appropriated moneys to the Department of Forestry and Fire Protection for purposes of providing local assistance grants, grants to fire safe councils, and grants to qualified nonprofit organizations with a demonstrated ability to satisfactorily plan, implement, and complete a fire prevention project for these same purposes, as provided. This bill would, until January 1, 2024, authorize the director to authorize advance payments to a nonprofit organization, a local agency, a special district, a private forest landowner, or a Native American tribe from the grant awards specified above.</p>	
SB 1097	Hueso D	Lead poisoning.	8/30/2018-Ordered to special consent calendar. Assembly amendments concurred in. (Ayes 39. Noes 0.) Ordered to engrossing and enrolling.	Current law authorizes the State Department of Public Health to contract with a public or private entity, including local agencies, to conduct case management efforts related to lead poisoning in children. Current law requires the department to prepare a biennial	Environmental Health, Health Information and Data, MCAH

				report describing the effectiveness of appropriate case management efforts, and to make that report available to local health departments and the general public. This bill would require the report to contain specified information for each county, including the number of children tested for lead poisoning. The bill would require the department to post the report on the department's Internet Web site.	
SB 1104	Roth D	Pupil safety: human trafficking prevention resources.	9/5/2018-Enrolled and presented to the Governor at 3:30 p.m.	Would require the governing board of a school district and the governing body of a charter school to work with their schools that maintain any of grades 6 to 12, inclusive, to identify the most appropriate methods of informing parents and guardians of pupils in those grades of human trafficking prevention resources and to implement the identified methods in those schools by January 1, 2020.	MCAH
SB 1109	Bates R	Controlled substances: Schedule II drugs: opioids.	8/31/2018-Read third time. Passed. Ordered to the Senate. In Senate. Concurrence in Assembly amendments pending. Ordered to special consent calendar. Assembly amendments concurred in. (Ayes 38. Noes 0.) Ordered to engrossing and enrolling.	Would require, for physicians and surgeons licensed on or after January 1, 2019, the mandatory continuing education course to also include the subject of the risks of addiction associated with the use of Schedule II drugs. The bill would require the Medical Board of California to give its highest priority to considering a course in the risks of addiction associated with the use of Schedule II	Chronic Disease, Small Jurisdictions

				drugs among its continuing education requirements for physicians and surgeons and would require the board to periodically develop and disseminate information and educational material on the risks of addiction associated with the use of Schedule II drugs to physicians and surgeons and general acute care hospitals.	
SB 1125	Atkins D	Federally qualified health center and rural health clinic services.	8/31/2018-Read third time. Passed. Ordered to the Senate. In Senate. Concurrence in Assembly amendments pending. Assembly amendments concurred in. (Ayes 31. Noes 0.) Ordered to engrossing and enrolling.	Current law provides that federally qualified health center (FQHC) services and rural health clinic (RHC) services, as defined, are covered benefits under the Medi-Cal program, to be reimbursed, to the extent that federal financial participation is obtained, to providers on a per-visit basis. "Visit" is defined as a face-to-face encounter between a patient of an FQHC or RHC and specified health care professionals. This bill would authorize reimbursement for a maximum of 2 visits taking place on the same day at a single location if after the first visit the patient suffers illness or injury requiring additional diagnosis or treatment, or if the patient has a medical visit and a mental health visit or a dental visit, as defined.	Health Equity, Small Jurisdictions
SB 1127	Hill D	Pupil health: administration of medicinal cannabis: schoolsites.	9/5/2018-Enrolled and presented to the Governor at 3:30 p.m.	Would enact Jojo's Act, which would authorize the governing board of a school district, a county board of education, or the	MCAH

				governing body of a charter school maintaining kindergarten or any of grades 1 to 12, inclusive, to adopt, at a regularly scheduled meeting of the governing board or body, a policy, as provided, that allows a parent or guardian of a pupil to possess and administer to the pupil who is a qualified patient entitled to the protections of the Compassionate Use Act of 1996 medicinal cannabis, excluding in a smokeable or vapeable form, at a schoolsite.	
SB 1138	Skinner D	Food options: plant-based meals.	8/30/2018-Assembly amendments concurred in. (Ayes 39. Noes 0.) Ordered to engrossing and enrolling.	This bill would require a licensed general acute care hospital, acute psychiatric hospital, skilled nursing facility, intermediate care facility, special hospital, and nursing facility to make available wholesome, plant-based meals of such variety as to meet the needs of patients in accordance with their physicians' orders. The bill would exclude this requirement from the criminal sanctions.	Chronic Disease, Health Equity
SB 1152	Hernandez D	Hospital patient discharge process: homeless patients.	9/5/2018-Enrolled and presented to the Governor at 3:30 p.m.	Would require each hospital to include a written homeless patient discharge planning policy and process within the hospital discharge policy, as specified. The bill would require a hospital to document specified information before discharging a homeless patient. The bill would, commencing on July 1, 2019, require a hospital to develop a written plan for	Chronic Disease, Health Equity

				coordinating services and referrals for homeless patients with the county behavioral health agency, health care and social service agencies in the region, health care providers, and nonprofit social service providers, as available, to assist with ensuring appropriate homeless patient discharge.	
SB 1181	Hueso D	Emergency services: certified community conservation corps.	8/30/2018-Read third time. Passed. Ordered to the Senate. In Senate. Ordered to engrossing and enrolling.	Would authorize the Office of Emergency Services to enter into an agreement directly with one or more certified community conservation corps, as defined, to perform emergency or disaster response services as the office deems appropriate.	Emergency Preparedness
SB 1215	Hertzberg D	Provision of sewer service: disadvantaged communities.	8/31/2018-Assembly amendments concurred in. (Ayes 29. Noes 10.) Ordered to engrossing and enrolling.	The Porter-Cologne Water Quality Control Act requires each California regional water quality control board to adopt water quality control plans and to establish water quality objectives in those plans, considering certain factors, to ensure the reasonable protection of beneficial uses and the prevention of nuisance. This bill would, except as provided, authorize the regional board to order the provision of sewer service by a special district, city, or county to a disadvantaged community, as defined, under specified circumstances. By authorizing the regional board to require a special district, city, or county to provide	Health Equity, Small Jurisdictions

				sewer service, this bill would impose a state-mandated local program.	
SB 1287	Hernandez D	Medi-Cal: medically necessary services.	8/28/2018-In Senate. Concurrence in Assembly amendments pending. Assembly amendments concurred in. (Ayes 39. Noes 0.) Ordered to engrossing and enrolling.	Current law establishes the Medi-Cal program, which is administered by the State Department of Health Care Services and under which qualified low-income individuals receive medically necessary health care services, including Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) for an individual under 21 years of age who is covered under the Medi-Cal program, subject to utilization controls, and consistent with federal requirements. This bill would revise the Medi-Cal definition of "medically necessary" for purposes of an individual under 21 years of age to federal standards related to EPSDT services. The bill would require the department and its contractors to update any model evidence of specified materials to ensure the medical necessity standard for coverage for individuals under 21 years of age is accurately reflected in all materials.	MCAH
SB 1292	Hueso D	Alzheimer's disease.	8/31/2018-Ordered to special consent calendar. Assembly amendments concurred in. (Ayes 39. Noes 0.) Ordered to engrossing and enrolling.	Would require the Center for Healthy Communities, within the Department of Public Health , on or before January 1, 2021, to update the 2009 Alzheimer's Disease Facts and Figures in California: Current Status and Future Projections to quantify the burden of Alzheimer's	Chronic Disease, Health Equity

				disease on at-risk and underrepresented populations, including African Americans, Asian-Pacific Islanders, Latinos, Hispanics, and women. The bill would repeal these provisions on January 1, 2025.	
SB 1294	Bradford D	Cannabis: state and local equity programs.	8/31/2018-Read third time. Passed. Ordered to the Senate. In Senate. Concurrence in Assembly amendments pending. Assembly amendments concurred in. (Ayes 28. Noes 10.) Ordered to engrossing and enrolling.	Would enact the California Cannabis Equity Act of 2018. The bill would authorize the Bureau of Cannabis Control, upon request by a local jurisdiction, to provide technical assistance, as defined, to a local equity program that helps local equity applicants or local equity licensees. The bill would, upon appropriation of funds by the Legislature, authorize an eligible local jurisdiction to submit an application to the bureau for a grant to assist local equity applicants and local equity licensees through that local jurisdiction's equity program.	Health Equity
SB 1303	Pan D	Coroner: county office of the medical examiner.	8/31/2018-Assembly amendments concurred in. (Ayes 26. Noes 11.) Ordered to engrossing and enrolling.	Would, commencing July 1, 2020, for counties with a population of 500,000 or greater, excluding a county that has adopted a charter, require that the office of the coroner or the sheriff-coroner's office, as applicable, either be replaced with an office of the medical examiner to exercise the powers and perform the duties of the coroner without a public vote or election, or adopt a policy requiring referral of death	Health Information and Data

				investigations to a county that has implemented an office of medical examiner for any case when there is a potential conflict of interest for the office of the coroner or the sheriff-coroner's office, as specified.	
SB 1305	Glazer D	Emergency medical services providers: dogs and cats.	8/31/2018-Ordered to special consent calendar. Assembly amendments concurred in. (Ayes 39. Noes 0.) Ordered to engrossing and enrolling.	Would authorize an emergency responder, as defined, to provide basic first aid to dogs and cats, as defined, to the extent that the provision of that care is not prohibited by the responder's employer. The bill would limit civil liability for specified individuals who provide care to a pet or other domesticated animal during an emergency by applying existing provisions of state law. The definition of "basic first aid to dogs and cats" for purposes of these provisions would specifically include, among other acts, administering oxygen and bandaging for the purpose of stopping bleeding.	Emergency Preparedness
SB 1333	Wieckowski D	Planning and zoning: general plan: zoning regulations: charter cities.	8/31/2018-Assembly amendments concurred in. (Ayes 25. Noes 13.) Ordered to engrossing and enrolling.	Would specify that provisions of the Planning and Zoning Law regarding general plans, specific plans, and the adoption and review of housing elements apply to charter cities. The bill would also make a nonsubstantive change with respect to the requirement that a charter city adopt a general plan by resolution.	Chronic Disease
SB 1408	Pan D	Cigarettes: seizure.	8/31/2018-Enrolled and presented to	The California Cigarette Fire	Chronic Disease

			the Governor at 6 p.m.	Safety and Firefighter Protection Act prohibits a person from selling, offering, or possessing for sale in this state cigarettes that are not in compliance with certain requirements, including the requirement that the cigarettes are tested by the manufacturer in accordance with prescribed testing methods. Current law provides an exception to the above prohibition for a person or entity that manufacturers or sells cigarettes if the cigarettes are or will be stamped or metered for sale in another state or are packaged for sale outside of the United States. This bill would delete the above exception to the prohibition.	
SB 1415	McGuire D	Housing.	8/29/2018-Assembly amendments concurred in. (Ayes 39. Noes 0.) Ordered to engrossing and enrolling.	Would, until January 1, 2029, require each entity responsible for enforcing building standards and other regulations of the State Fire Marshal, as specified, to inspect, every 5 years, all privately owned structures within the entity's responsibility that are in the Storage Group S occupancy classifications, as described, for compliance with those standards and regulations, or, if applicable, more stringent or restrictive local regulations, unless the structure meets any of 4 specified criteria.	Environmental Health
SB 1422	Portantino D	California Safe Drinking Water Act: microplastics.	8/31/2018-Assembly amendments	Would require the State Water Resources Control	Environmental Health

			<p>concurrent in. (Ayes 34. Noes 2.) Ordered to engrossing and enrolling.</p>	<p>Board, on or before July 1, 2020, to adopt a definition of microplastics in drinking water, and on or before July 1, 2021, to adopt a standard methodology to be used in the testing of drinking water for microplastics and requirements for 4 years of testing and reporting of microplastics in drinking water, including public disclosure of those results.</p>	
SB 1451	Fuller R	<p>Licenses: sale to underaged persons: penalties.</p>	<p>8/30/2018-Enrolled and presented to the Governor at 5 p.m.</p>	<p>Would impose specific penalties on any licensee who holds an A-type or M-type retailer license or A-type or M-type microbusiness license who sells, furnishes, or causes to be sold or furnished cannabis or cannabis products to any person under the legal age on the licensed retail premises or who permits any person under the legal age to consume cannabis or cannabis products on the licensed retail premises, by subjecting the licensee to a suspension or revocation of its A-type and M-type retailer license and A-type and M-type microbusiness license issued for that retail premises where the violation occurred, as provided. The bill would not preclude any additional disciplinary actions to be taken by a licensing authority against the licensee for these acts or omissions.</p>	<p>Public Health</p>
SB 1481	Hill D	<p>Structural pest control: certification:</p>	<p>8/31/2018-Ordered to special consent</p>	<p>Currentlaw authorizes the</p>	<p>Environmental Health</p>

		fumigation: penalties.	calendar. Assembly amendments concurred in. (Ayes 39. Noes 0.) Ordered to engrossing and enrolling.	Structural Pest Control Board to revoke, suspend, or deny a license under the Structural Pest Control Act and authorizes the director to levy a civil penalty against a person for any violation of the act. Current law also authorizes county agricultural commissioners, among other things, to levy fines against Branch 1 registered companies for any major violations, as defined by the act. Current law repeals the provisions relating to the board on January 1, 2019. This bill would authorize a person whose license or registration has been revoked, suspended, or surrendered, or who has been placed on probation, to petition the board, after specified minimum time periods, for reinstatement or modification of the penalty.	
SCR 115	McGuire D	Opioid crisis.	8/31/2018-Read. Adopted. Ordered to the Senate. In Senate. Concurrence in Assembly amendments pending. Ordered to special consent calendar. Assembly amendments concurred in. (Ayes 38. Noes 0.) Ordered to engrossing and enrolling.	This measure would recognize the impact opioid-related deaths have had on California communities and would support groups and organizations working in California to combat the epidemic.	Small Jurisdictions
