<a href="#">AB 11</a>	<a href="#">McCarty</a> D	Early and Periodic Screening, Diagnosis, and Treatment Program: screening services.	7/3/2018-Read second time and amended. Re-referred to Com. on APPR.	Current federal law provides that EPSDT services include periodic screening services, vision services, dental services, hearing services, and other necessary services to correct or ameliorate defects and physical and mental illnesses and conditions discovered by the screening services, whether or not the services are covered under the state plan. This bill would require, consistent with federal law, that screening services under the EPSDT program include developmental screening services for individuals zero to 3 years of age, inclusive. Until July 1, 2023, the bill would require an external quality review organization entity to annually review, survey, and report on managed care plan reporting and compliance with specified developmental screening tools and schedules. <a href="#">AB 1097</a>	<a href="#">Levine</a> D	State beaches and parks: smoking ban.	7/2/2018-In committee: Referred to APPR. suspense file.	Would make it an infraction for a person to smoke, as defined, on a state coastal beach or in a unit of the state park system or to dispose of used cigar or cigarette waste on a state coastal beach or in a unit of the state park system, with certain exceptions, as specifically provided. The bill would establish a state-mandated	Chronic Disease

				local program by creating a new crime.	
<a href="#">AB 1335</a>	<a href="#">Bonta D</a>	Sugar-sweetened beverages: safety warnings.	7/5/2018-Read second time and amended. Re-referred to Com. on APPR.	This bill would establish the Sugar-Sweetened Beverages Safety Warning Act, which would prohibit a person from distributing, selling, or offering for sale a sugar-sweetened beverage in a sealed beverage container, a multipack of sugar-sweetened beverages, or a concentrate, as those terms are defined, in this state unless the sealed beverage container, multipack, or packaging of the concentrate bears a safety warning, as prescribed. This bill contains other provisions.	Chronic Disease
<a href="#">AB 1754</a>	<a href="#">McCarty D</a>	State full-day preschool program: eligibility for enrollment: low income schools.	6/28/2018-From committee: Do pass and re-refer to Com. on APPR. (Ayes 7. Noes 0.) (June 27). Re-referred to Com. on APPR.	Current law provides that "income eligible," for purposes of the Child Care and Development Services Act, means that a family's adjusted monthly income is at or below 70% of the state median income, adjusted for family size, and adjusted annually. This bill would revise the eligibility requirements for full-day preschool programs operated at any California public school, including a charter school, that has at least 40% of its pupils being from low-income families, as specified pursuant to Title I of the federal Elementary and Secondary Act of 1965, or a community-based organization that contracts with the above-described school or school	Health Equity

<a href="#">AB 1871</a>	<a href="#">Bonta D</a>	Charter schools: free and reduced-price meals.	6/25/2018-In committee: Referred to APPR. suspense file.	district. Would, commencing with 2019–20 school year, require a charter school to provide each needy pupil, as defined, with one nutritionally adequate free or reduced-price meal during each schoolday, except as provided for a charter school that offers nonclassroom-based instruction. For a charter school that becomes operational on or after July 1, 2019, the bill would require the charter school to implement these requirements no later than July 1 of the school year after becoming operational, and to provide written notice, as specified, of the period of time that the charter school will not provide those meals.	Chronic Disease, Health Equity, MCAH
<a href="#">AB 1976</a>	<a href="#">Limón D</a>	Employment: lactation accommodation.	6/28/2018-In committee: Set, first hearing. Hearing canceled at the request of author.	Current law requires every employer to provide a reasonable amount of break time to accommodate an employee desiring to express breast milk for the employee's infant child and requires an employer to make reasonable efforts to provide the employee with the use of a room or other location, other than a toilet stall, in close proximity to the employee's work area for the employee to express milk in private. This bill would instead require an employer to make reasonable efforts to provide an employee with use of a room or other	MCAH

				location, other than a bathroom, for these purposes.	
<a href="#">AB 2005</a>	<a href="#">Santiago D</a>	Child Abuse Central Index.	6/20/2018-From committee: Do pass and re-refer to Com. on APPR. (Ayes 7. Noes 0.) (June 19). Re-referred to Com. on APPR.	Would authorize a police or sheriff's department to forward a substantiated report of suspected child abuse, except as specified, to the Department of Justice. The bill would require any police or sheriff's department that forwards a report to comply with the same requirements placed on other reporting agencies and would require the police or sheriff's department to adopt notification and grievance procedures that are consistent with specified regulations of the Department of Social Services. This bill would also make conforming changes.	MCAH
<a href="#">AB 2022</a>	<a href="#">Chu D</a>	Pupil mental health services: school notification.	6/28/2018-From committee: Do pass and re-refer to Com. on APPR. (Ayes 9. Noes 0.) (June 27). Re-referred to Com. on APPR.	Would require a school of a school district or county office of education and a charter school to notify pupils and parents or guardians of pupils no less than twice during the school year how to initiate access to available pupil mental health services on campus or in the community, or both, as provided. By imposing an additional requirement on schools of school districts and county offices of education and charter schools, the bill would impose a state-mandated local program.	MCAH
<a href="#">AB 2119</a>	<a href="#">Gloria D</a>	Foster care: gender affirming health care and behavioral health services.	6/27/2018-From committee: Do pass and re-refer to Com. on APPR.	Would specify that all minors and nonminors in foster care have the right	MCAH

			(Ayes 5. Noes 2.) (June 26). Re-referred to Com. on APPR.	to have access to gender affirming health care and gender affirming behavioral health care. The bill would, upon the request of a child or nonminor dependent, or his or her caregiver, attorney, Court Appointed Special Advocate, or social worker, require the county child welfare agency to ensure that the child or nonminor dependent has access to gender affirming health care and gender affirming behavioral health services, which are defined to mean health care or behavioral health services that respect the gender identity of the patient, as specified. The bill would require the State Department of Social Services to adopt regulations to implement these provisions on or before January 1, 2020.	
<a href="#">AB 2132</a>	<a href="#">Levine D</a>	Building permit fees: waiver.	6/13/2018-Read second time and amended. Ordered to third reading.	The State Housing Law authorizes cities and counties to prescribe fees for permits required or authorized pursuant to the State Housing Law. This bill would authorize these entities to waive or reduce all building permit fees for improvements to the home of a person at least 60 years of age with a qualifying disability that are made to accommodate that disability.	Chronic Disease, Health Equity
<a href="#">AB 2256</a>	<a href="#">Santiago D</a>	Law enforcement agencies: opioid antagonist.	7/3/2018-Read second time. Ordered to Consent Calendar.	Would authorize a pharmacy, wholesaler, or manufacturer to furnish naloxone hydrochloride or other opioid antagonists to a law enforcement	Chronic Disease, Small Jurisdictions

				agency, as provided.	
<a href="#">AB 2271</a>	<a href="#">Quirk-Silva D</a>	School food authorities: federal equipment assistance grants: matching state grants.	7/2/2018-In committee: Referred to APPR. suspense file.	Would require, upon appropriation by the Legislature, and contingent upon allocations provided by the federal Consolidated Appropriations Act, the State Department of Education to provide a matching state grant of up to \$100,000 to a school food authority participating in the federal National School Lunch Program that applies for and is awarded a federal Equipment Assistance Grant for School Food Authorities from the department in its administration of the National School Lunch Program, as prescribed.	Chronic Disease, MCAH
<a href="#">AB 2275</a>	<a href="#">Arambula D</a>	Medi-Cal managed care: quality assessment and performance improvement.	7/2/2018-Read second time and amended. Re-referred to Com. on APPR.	Would require the State Department of Health Care Services to establish a quality assessment and performance improvement program for all Medi-Cal managed care plans, through which the plans, commencing January 1, 2021, would be required to meet a minimum performance level (MPL) that improves quality of care and reduces health disparities for beneficiaries, as specified. The bill would require managed care plans that meet the performance targets to receive specified financial incentives. The bill would require the department, in consultation with stakeholders, to develop a plan for a value-based	Health Equity

				financial incentive program.	
<a href="#">AB 2289</a>	<a href="#">Weber D</a>	Pupil rights: pregnant and parenting pupils.	6/27/2018-Read second time and amended. Re-referred to Com. on APPR.	Federal and state regulations prohibit an educational institution from applying any rule concerning a pupil's actual or potential parental, family, or marital status that treats pupils differently on the basis of sex. This bill would codify those regulations and related regulations in state law, as they apply to local educational agencies, defined to include a school district, a county office of education, a school operated by a school district or a county office of education, a charter school, the California Schools for the Deaf, or the California School for the Blind.	MCAH
<a href="#">AB 2434</a>	<a href="#">Bloom D</a>	Strategic Growth Council: Health in All Policies Program.	6/27/2018-Read second time and amended. Re-referred to Com. on APPR.	Would, until January 1, 2024, establish the Health in All Policies (HiAP) Program, to be administered by the Strategic Growth Council, for the purposes of incorporating health, equity, and sustainability considerations into decision-making across sectors and policy areas, as specified. The bill would require the council, by October 1, 2019, to develop a report of recommendations for programs, policies, and practices that state agencies can undertake to advance health, equity, and specified goals of the HiAP Program, as provided.	Health Equity
<a href="#">AB 2601</a>	<a href="#">Weber D</a>	Pupil instruction: sexual health education: charter schools.	6/27/2018-Read second time and amended. Re-referred to Com. on	Would require, commencing with the 2019–20 school year, charter	Communicable Disease, MCAH

			APPR.	schools to ensure that all pupils in grades 7 to 12, inclusive, receive comprehensive sexual health education and HIV prevention education, as specified. By imposing additional requirements on charter schools, this bill would impose a state-mandated local program.	
<a href="#">AB 2626</a>	<a href="#">Mullin</a> D	Child care services.	6/27/2018-From committee: Do pass and re-refer to Com. on APPR. with recommendation: To Consent Calendar. (Ayes 6. Noes 0.) (June 26). Re-referred to Com. on APPR.	The Child Care and Development Services Act requires the Superintendent of Public Instruction to adopt rules and regulations on eligibility, enrollment, and priority of services needed to implement the act. The act provides that a family, upon establishing initial eligibility or ongoing eligibility for services, shall receive those services for not less than 12 months. The act provides, as an exception to the above provision relating to receiving services for 12 months, that a family that establishes initial eligibility or ongoing eligibility on the basis of seeking employment shall receive services for not less than 6 months. This bill would delete the 6-month exception for families establishing initial eligibility or ongoing eligibility on the basis of seeking employment.	MCAH
<a href="#">AB 2785</a>	<a href="#">Rubio</a> D	Student services: lactation accommodations.	7/5/2018-Read second time and amended. Re-referred to Com. on APPR.	This bill would require the California Community Colleges and the California State University, and encourage a	Chronic Disease, MCAH

				satellite campus of these systems and the University of California, to provide reasonable accommodations to a lactating student on their respective campuses to express breast milk, breast-feed an infant child, or address other needs related to breast-feeding, as specified. The bill would require the respective educational institution to provide a sink in addition to the accommodations described above, upon the construction of a new campus of the California Community Colleges or the California State University, or the replacement, expansion, or renovation of an existing building, as specified. This bill contains other related provisions and other existing laws.	
<a href="#">AB 2914</a>	<a href="#">Cooley D</a>	Cannabis in alcoholic beverages.	7/2/2018-Read second time and amended. Re-referred to Com. on APPR.	Would prohibit a commercial cannabis licensee from selling, offering, or providing a cannabis product that is an alcoholic beverage, including, but not limited to, an infusion of cannabis or cannabinoids derived from industrial hemp into an alcoholic beverage.	Chronic Disease
<a href="#">AB 3043</a>	<a href="#">Berman D</a>	Pupil nutrition: breakfast and lunch programs.	6/25/2018-In committee: Referred to APPR. suspense file.	Would authorize a school district, county office of education, private nonprofit school, charter school, or residential child care institution, as defined, that participates in the federal School Breakfast Program,	Chronic Disease, MCAH

				commencing with the 2019–20 school year, after submitting certain documentation to the State Department of Education for approval, to provide universal breakfast, to the maximum extent practicable. The bill would define “universal breakfast” to mean a nutritionally adequate breakfast that complies with, and qualifies for reimbursement under, the federal School Breakfast Program and that is provided to every pupil at no charge.	
<a href="#">SB 835</a>	<a href="#">Glazer D</a>	Parks: smoking ban.	6/27/2018-June 27 set for first hearing. Placed on APPR. suspense file.	Current law makes it an infraction punishable by a fine of \$250 for a person to smoke a cigarette, cigar, or other tobacco-related product within 25 feet of a playground or tot lot sandbox area. This bill would make it an infraction punishable by a fine of up to \$25 for a person to smoke, as defined, in a unit of the state park system or to dispose of used cigar or cigarette waste in a unit of the state park system. The bill would establish a state-mandated local program by creating a new crime.	Chronic Disease
<a href="#">SB 836</a>	<a href="#">Glazer D</a>	State beaches: smoking ban.	6/27/2018-June 27 set for first hearing. Placed on APPR. suspense file. <a href="#">AB 1423</a>	<a href="#">Chiu D</a>	Tidelands and submerged lands: City and County of San Francisco: seawall lots: affordable housing.	7/3/2018-Read second time. Ordered to third reading.	Under current law, the Burton Act and the Burton Act transfer agreement, the interest of the state in and to the Harbor of San Francisco was transferred in trust to the City and County of San Francisco. Current law authorizes the port to provide a rent credit or other waiver or deferral of rent in connection with a nontrust lease of seawall lot 322-1 that results in an effective rent to the port below fair market value, if the commission finds, among other things, that the nontrust lease is for affordable	Health Equity

				housing. Current law imposes certain requirements on the port with regard to the construction of affordable housing on seawall lot 322-1. This bill would revise the definition of "affordable housing" to mean a structure that provides housing for very low, low-, or moderate-income households, as defined, and specifically for seawall lot 322-1 to include housing for persons and families of low or moderate income, as defined, persons and families from very low income households, as defined, or persons and families from extremely low income households, as defined.

<a href="#">AB 1739</a>	<a href="#">Chau D</a>	Nonprobate transfers: revocable transfer on death deeds.	6/29/2018-Enrolled and presented to the Governor at 3 p.m.	Current law establishes a statutory form of revocable transfer on death deed that must be notarized and signed under penalty of perjury by the transferor and recorded with the county recorder, as specified. Current law requires that subsequent pages of that form include common questions regarding the use of the form. Current law requires that, in order to be effective, a revocable transfer on death deed must be recorded on or before 60 days after the date it was executed. This bill would provide that the requirement of recordation described above does not require the recordation of the pages of the statutory form that include the common questions about the use of the form, and a failure to record those pages does not affect the effectiveness of a revocable transfer on death deed. <a href="#">AB 2561</a>	<a href="#">Flora R</a>	Vital records: local registrar: copy of records.	7/3/2018-In Assembly. Ordered to Engrossing and Enrolling.	Current law requires each local registrar of births and deaths to transmit to the county recorder, for a special county record, a copy of each original birth certificate and death certificate, and send the original certificates to the State Registrar. In lieu of that procedure, existing law instead authorizes the county recorder to make the copies of certificates for the special county record, requires the local registrar to transmit the original certificates to the county recorder for this purpose, and requires the county recorder to forward the original certificates to the State Registrar. Existing law exempts a local registrar from the application of these provisions if it serves a countywide health jurisdiction of over 550,000 population, as determined by the 1950 census. This bill would revise and recast that provision and would instead require each local registrar of births and deaths to transmit a copy of each original birth certificate and death certificate to the county recorder for the special county record, and, at the same time, forward the original certificates to the State Registrar.
